bar.

When a woman estimates the good qualities of her son she can't help thinking how wonderful they are—considering his father.—New York Press.

LITERARY NOTES.

Ellen Thorsecott Fowler has finished a novel which she catitities "Pusi of Fire."

About 30,000 copies of the new cheap edition of Darwins "Origin of Species."
Issued recently by a London firm, have already been sold. This shows the interest which the book still excites. James Byree has written again an article which is in effect a study of Clastonow's character and personality.

article which is in effect a study of Gladstone's character and personality. Between Gladstone and Mr. Bryce there was a friendship not confined merely to politics.

to politics.

The identity of "Linesman," whose book on the Boer war has attracted more attention than any other war book of the year, has been known to a few people for some time. He is Capt. Maurice Grant, and one of his earliest admirers was Lord Roberts himself.
