

AROUND THE STATE.

BIRMINGHAM, FRIDAY, MARCH 28.

The regular pilgrimage to Meem is causing the usual activity among the industrious little cholema girls.

Farrington Disgusts His Best Friends.

TEKONSHA'S MYSTERY SOLVED. The Defunct Nix Bank Pays Depositors. Ninety Per Cent Way Frame.

It is claimed that oil has been found in the vicinity of Oxford.

Six new stores will be built at Orion to replace those destroyed by fire. Downside has changed its principal business thoroughfare from Main street to Lincoln avenue.

Mr. and Mrs. P. Willcox celebrated the fifth anniversary of their marriage March 21, 1902, at their home.

Charles M. Goodale, of Jackson, was arrested on Wednesday night on a charge of stealing four hours labor, when apparently he had been employed by the same man who is investigating. Goodale leaves a widow and two daughters.

Neely and His Palms Receive Heavy Sentences.

HE WANTED NO PRISONERS. President Roosevelt Favors Wood for Gen. of the Army - A Farm Hand Proposed to Be a Woman - The Chase Problem to Be Solved - A Brother's Shooting Crime.

Billon Suspended.

Mr. Chamberlain, addressing the House of Representatives, referred to the House who are fighting on the British side, when John Dillon, a member of the House of Commons, was introduced on which Mr. Chamberlain retorted: "The honorable gentleman is a traitor and a deserter."

China has the advantage of South America, republics in that she is large enough to support several rebellions at the same time.

A Missouri man has decided to stock his farm with 400 goats this spring. Hereafter the Missouri butter is likely to cut an enlarged figure.

The Chinese government will intrude the reorganization of its army to the East. Evidently it is preparing to become a fighting nation.

A mountain of arsenic has just been found near Tacoma, Washington. It is estimated that it will be worth \$1,000,000.

King Alfonso, after looking over the situation in Spain, is inclined to wait until he has grown a full set of whiskers before trying to be a ruler.

The bicycle has a past. It is at least a century old. But the automobile, which has replaced it, is a more modern vessel.

An English professor says women are incapable of learning the Chinese language. If he can prove it Chinese may yet become the universal tongue.

A burning match, lighted to find a lost penny, destroyed a \$50,000 grocery store at Gedalia, Mo. This is a case of penny wise and several pounds foolish.

It is intimated that some of our women are contracting foreign alliances just in order to get an opportunity to attend King Edward's coronation.

There would be less justification for divorce if perpetrators of "beauty column" prescriptions could be made to swallow some of their own unbecoming.

Senator Dewey owns 150 pairs of trousers, which allows for a change of one pair and fifty-six hundredths of another every quarter hour of the twenty-four.

District Attorney Jerome states candidly that he does not know how to run a newspaper. That's a strange admission for a man to make who is not in the business.

A St. Louis teacher of Spanish has been fined \$25 for kissing one of his young lady pupils, and she is being mad at the jury for not placing a higher valuation upon it.

The pictures appearing of the St. Louis preacher who advocated that the women should do the proposing look as if he might wait a long time under any such arrangement.

James Dick of Glasgow has just died, leaving \$50,000 to the charities of his native town. This is a clear case of putting money where it will do the most good.

James J. Hill is an astute student of William Shakespeare. He particularly admires Bill's universal outlook and his detestable way of working up dramatic combinations.

A great reduction is threatened in the output of diamonds this season. Persons who do not present some thing what aye in the gem market are admonished to order a supply at once.

As long as the agency there will open the battleship Maine was through which remains unknown there will be an opportunity for pipe stories and it is true that they will bob up and tell it.

Full and generous credit should be given to the corporation of Pennsylvania that has advanced \$500,000 to its employees. The totals will mean several hundred thousand dollars more than can be shown in any other state of the Union.

Prof. Kent of the Yale Divinity School is upholding and cites the treatment of Joseph by his brothers as a biblical precedent for the practice. Yale is evidently jealous of the public attention given Western theological schools.

Spain is getting ready to welcome her poor little boy king that she so well as a man. Riot and revolution are grim attendants to meet him at the foot of the throne. He is likely to ascend. It looks like the beginning of but an ill-starred reign.

With an annual death rate of only thirteen per thousand of the population, it isn't a rash, say that Chicago is sufficiently destined to become the greatest city on this continent without the assistance of the annexation habit.

Rumor says the smart trust is trying to buy the best of the mining securities.

Solen Stone, the oldest inhabitant in the county, has been celebrating his 101st anniversary of his birth at Durango, Colo.

David Bowman, a wealthy pioneer farmer, of Niles, is dead, aged 70 years. He leaves four daughters and three sons.

Joseph Grafius, of Muntz, had once been crushed and was otherwise badly hurt by a falling log Saturday. His recovery is doubtful.

At present Niagara, Dickinson county, is without a school. The school board is long for long. The Methodist school board are preparing to erect such a structure.

On complaint of the lady's own father, Mrs. E. J. Farrington, of this city, who was suddenly overcome by illness in court Saturday, is reported to have been restored to health by the ministrations of the milk of 60 cows guarded by the farmers.

There are two schools in Ontonagon county which have but two pupils. One of them is a school in which \$40 per month pays just the same.
