

BEAUTIFUL CHILDREN

Made Well and Strong by Pe-ru-na

Mrs. Schaffer, 436 Pope Ave., St. Louis, Mo., writes:

"In the early part of last year I wrote to you for advice for my daughter Alice, four years of age.

"She has been a puny, sickly child, and child of her birth. She had convulsions and catarrhal fever. I was always doctoring until we commenced to use Peruna. She grew strong and well. Peruna is a wonderful remedy. My little medicine I have ever used."—Mrs. Schaffer.

Mrs. C. E. Long, the mother of Little Mire, writes from Atwood, Colo., as follows:

"We can never thank you enough for the change you have made in our little one's health. Before she began taking Peruna she suffered everything in the way of cough, colic and cramp, but now she has taken not quite a bottle of Peruna and is well and strong as has ever been in her life. She has just had the cramp since she began taking Peruna, and it is a great relief."—Mrs. C. E. Long.

Mrs. G. W. Heard, of Fort Worth, Texas, writes to Dr. Hartman in regard to her little girl, Minnie:

"My little girl had some derangement of the bowels. She was a mere skeleton and we did not think she would ever get well. After giving her less than one bottle of Peruna she was sound and well. Now she has a good appetite and is a picture of health."

Mrs. Heard also writes in regard to her little girl, Mire:

"My son's ears had been affected since he was a babe only a few months old. The first year I thought he had almost lost his hearing and had a local physician treating him for about six weeks. Finally, after giving him your remedy, and after he had taken five bottles, he was entirely cured. I cannot praise Peruna enough."—Mrs. G. W. Heard.

If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice.

Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

325 CO. TO CALIFORNIA.

Every day between March and April, exceptionally low rates to the Pacific Coast and Intermediate Points. Colonial Excursions open to all. WHEN A MAN FALLS DOWN.

How the Average Gentleman Being Acted After a Tumble.

Slippery sidewalks tend to bring out emphatically one of the peculiar ideas of the average gentleman. He is so much the fall infirmer a man physically it seems as nothing to the damage to his self-esteem if he falls. He is so much the fall infirmer a man physically it seems as nothing to the damage to his self-esteem if he falls.

NOVEL CURE FOR PROFANITY.

The Medal Put in Good Use in an Illinois Town.

"The boys in our high school have a novel method of breaking themselves of swearing in the principal. He has placed them together and after showing them the wickedness and folly of profanity suggested a remedy. He prepared a medal to be worn by the last fellow using a curse word, and this, he said, would be hung on the wall till the first oath was uttered, when the wearer must wear it till the next man swore, and so on. The boys agreed to the plan and the medal was hung up in view of all.

WHERE DOCTORS FAIL

To Cure Woman's Ills, Lydia E. Pinkham's Vegetable Compound Succeeds. Mrs. Pauline Judson Writes:

"DEAR MR. PINKHAM:—Soon after my marriage two years ago I found myself in constant pain. The doctor said my womb was turned, and this caused the pain with considerable inflammation. He prescribed for me a course of medicine, but it did not do me any good. I was so weak and nervous that I could not do any work. I was so weak and nervous that I could not do any work. I was so weak and nervous that I could not do any work.

Men of Affairs

One may sell the eggs and still not overvalue them, that men of affairs, who are well informed, will rather than the facilities, whether on pleasure bent or business, to use these medicines which give creative perception and then leave the internal organs in a constant condition. Syrup of Figs is not built on these lines. It is naturally, acts effectively, cleanses and strengthens the internal organs and leaves them in a healthy condition. If you find it in need of a laxative remedy the most excellent is Syrup of Figs, but when anything more than a laxative is required a safe and scientific plan is to consult a competent physician and not to resort to those medicines which do not do all manner of diseases.

California Fig Syrup

The quality of Syrup of Figs is due to the excellent combination of the laxative and carminative principles of plants, known to act most beneficially on the system, with agreeable and refreshing aromatic liquids, but also to the original method of manufacture. In order to get the genuine and its beneficial effects one should always note the full name of the company—California Fig Syrup Co.—printed on the front of every package.

THE LOW PATRIARCHS ADJOURN.

The annual conference of Patriarchs Milant, L. G. P., department of Iowa, has ended. The only two elective positions were filled by choosing G. M. L. Leary of Manchester, president and J. H. Hylands of Des Moines, treasurer. Ottumwa was chosen as the next place of meeting.

RED HORN DOOMED.

It is the worst of the horse world, the red horn, which has been the cause of so much trouble and expense, is now being exterminated. The only way to get rid of it is to use the Red Horn Antidote. It is a powerful medicine which will cure the disease in a few days. It is a powerful medicine which will cure the disease in a few days.

WASPS WERE THAN BULLETS.

Richard Harding Davis relates this incident which happened while he was acting as correspondent during the English-Boer war.

A regiment of Scottish Highlanders, noted for their bravery in action, during the heat of the battle were suddenly seen to break ranks and run in all directions. The cause of this was a man in the ranks who was wounded in the stomach, and apparently made no attempt to urge the men under into line. Their behavior was so contrary to the manly spirit of the regiment that it was soon reported to Gen. Roberts.
