MISS E. FLYNN, Pontiac.

Hiram Cole and wife are bothick and in trying circumstances. Everybody knows that Mr. Cole is an industrious and hard-working man, but now that he is sick and in trouble he needs the assistance of his friends.
Miss Carrie Bingham, our popular and efficient postmistress, was in attendance last week at the semi-annual convention of the West Bloomfield Twp. S. Association and gave a talk on the Home Department. Miss Bingham is president of the Oakland county organization.
Fred Parks and wife have moved into their new home and their former home is occupied by Mr. Locke of Detroit, who has purchased it. His son will take charge of the little farm. Mr. and Mrs. Wreche also make their home with their parents, the former going into the city every morning and home at night.
As Harry and Violet Brace were starting to drive home after the lecture last Friday night, the lines got crossed and their horse became unmanageable. They were thrown out of the buggy, the horse ran away and the buggy was wrecked. Miss Violet was quite badly hurt, but no bones broken.
The postponed Easter services were held at the Methodist church last Sunday. An important feature of the occasion was the missionary collection which amounted to about \$27. This church has an enviable reputation in its line, constantly sending out its little burg, The Home Missionary society of the church has long been the banner society of the Saginaw district.
Mrs. G. C. Gibbs was taken ill last Saturday with what seemed to be an attack of heart trouble or a mild stroke of paralysis. She was sitting reading in her own home when she suddenly felt the power of motion and fell helplessly upon the couch. She was unable to move or help herself for some time but finally rallied with, apparently, no serious results.

A VALUABLE MEDICINE

For Coughs and Colds in Children.
"I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Chas. M. Cramer, Esq., a well known watchmaker, of Columbus, Nevlon. "It has been some two years since the City Dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It has cured me of all my colds. It is especially effective for children and seldom takes more than one bottle to bring relief to the most violent case. They are all as well pleased as myself over the results." For sale by Whitehead & Mitchell.
