Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and sours ambition, beauty, vigor and cheerfulness, and finally, if not relieved, disappears when the kidneys are out of order or diseased. Kidney trouble has a tendency to be inherited, but it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh of the child, if it reaches an age when it should be able to control the passage, if it is afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first and most important remedy is the treatment of the kidneys and bladder. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose. Women as well as men are made miserable with kidney trouble, and both need the same great remedy. The mild and the immediate effect of **SWAMP-ROOT** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may get a sample bottle by mail free, also pamphlet tell. Home of Swamp-Root, 100 West Broadway, New York. The thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., New York, N. Y., be sure and mention this paper.

MISSOLOGHI

By WINGROVE BATHON.
Copyright, 1902, by Daily Story Publishing Company.

You have seen the engraving of the monument created by David D'Angers to the memory of Marcos Botzaris, and you know whether or not the great sculptor was successful in his determination, though he who fell at Missolonghi should have a monument to his heroism and patriotism. The story of that monument, and pretty tale, is little known--too little known. We forgot too easily, control the passage. It is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first and most important remedy is the treatment of the kidneys and bladder. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.
