## Detroit White Lead Works Best Liquid Paints...

BIRMINGHAM, Mich., April 18, 1902. Gentlemen—Nineteen years ago I painted my house with Detroit White Lead Works Best Liquid Paints. I have been overhauling my house this spring and found the paint hard and in good condition. Chalks off? Well, I guess not. When the tinner tried to scrape off this 19 year old paint there was considerable profanity in the vicinity because it spoiled his tools trying to scrape off the hard paint before he could solder the new tin to the old. The paint stood hard as the metal on an exposed tin roof for 18 years. This point was put on by Wes Paint in October and November, 1883. Respectfully,  
J. ALLEN BIGELOW.

I have used Detroit White Lead Works Best Liquid Paints for 18 years. During that time I have used all the other brands of ready-mixed paints on the market. I wish to state here that the Detroit White Lead Works Best Liquid Paint is the best brand of paint I ever used. It is superior to all others in gloss, openness, durability and its wonderful covering qualities. You can use three parts of raw oil to every gallon to make it thin enough for second coating. It makes it the cheapest paint on the market.

We Also Offer for Sale: STRICTLY PURE WHITE LEAD, RAW AND BOILED LINSEED OIL, TURPENTINE, DRYER, VARNISH, ETC.

See our fine new stock of Paint and Varnish Brushes from \$1.50 down to 5c.

## S. W. SMITH NOMINATED

For a Fourth Term in Congress, R. C. Meising 83 Out of 104 Ballots.  
Congressman Samuel W. Smith, was nominated Thursday of last week at a meeting for a fourth term for congress man of the 6th district. His nomination was sure long before he went to Fenton. His work in the district has been so generally satisfactory for the past three terms that he is stronger by far than when he asked for a second nomination. Undoubtedly each year's experience has made him a more valuable man, and thus the district appreciates his nomination. He received 83 votes out of 104. Ingham county, as was expected, cast its vote, 18, for Arthur J. Tuttle and when the vote was made known the chairman of the delegation immediately moved to make it unanimous, nominating Mr. Smith their hearty support.  
The following Oakland county men were placed on committees: Harry N. McCracken of Farmington was appointed on the committee on credentials. H. W. Robert Malcom of West Bloom field, on the committee on permanent organization and order of business. Hon. T. D. Seely of Bloomfield on the committee on resolutions.

## Read It in His Newspaper.

George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkszeitung. He knows that this paper aims to advertise the best in its columns. He saw Chamberlain's Pain Balm advertised there for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back, and could get no relief. He says: "After using the Pain Balm for a few days, my wife said to me, 'I feel as though I'm born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. This valuable liniment is for sale by Whitehead & Mitchell.
