Let us hope Mr. W. may be able to spend his vacation in the United States.

Did any woman ever speak of her husband's pipe without preating the words "that old"?

Europe is again discussing dynamite. But the Krupp gun works are running right.

The old feeling against foreigners is said to be rising again in China. Does anybody wonder?

The new Anglo-American club of London has not yet been absorbed by any of Mr. Morgan's mergers.

Mount Pole was trying to sustain itself on a diet of roasting ears, watermelons and green peas.

The new suit of Zanibar has an excellent qualification for the place. He is a horseflesh football player.

The Rato Stefano tower in Venice is threatening to tumble. It seems to be high time for Venice to creep up.

Gout is said to be on the increase in America. This is one trouble in common people do not have to worry over.

King Alfonso wants to have his tinety under that some of the children are going to be heard as well as seen.

Uncle Russell Sage denies that he was trying to stage a ride when he was dragged fifteen feet by a car the other day.

If a fathers' congress should ever convene probably the proceedings would be limited to a motion for an adjournment.

"They all say that Mackay, the bohemian king, was a genuine American. It is because he had so much wealth that he could not count it?"

In presenting a claim against the estate of Lord Francis Hope for \$40,000 May Yoh has demonstrated that she is in no pressing need of a nerve tonic.

The fact that Australia alone of the six continents was not visited by cartographers this year will not cause an overwhelming rush for the Antipodes.

Secretary Wilson, who is trying to encourage Americans to cultivate silk worms, evidently does not know that the reeling peacock fashion has passed.

Charles Chapman Carr says nineteen times the crime rate in this is letting us down easy. So might have said nine-tenths of the men are criminals.

Gen. Kitchener should desire no greater honor than to be referred to by his countrymen as "the gentleman who beats any of his sisters or rosettes."

London bridge still stands in spite of the children's dreggers, but the latest dispatch seems to show that a good part of Venice is in danger of falling down.

The scientist who declares that the skull dug up near Lansing, Kan., is 45,000 years old appears to be a grudge against poor Adam's reputation for prevarications.

The Missouri man who admitted in court that he had spent \$70,000 on liquor during the past seven years ought to be a good judge of such situations, if of nothing else.

While lovely woman is supposed to go almost any length in her beauty department, not many of them make the decision to talk less because wrinkles are caused by too much talking.

The single man should not forget to put an engagement ring in his pocket before starting on his vacation. He may not have occasion to use it, yet it better to have one handy in case of emergency.

For improving the Mississippi river \$45,725,933 has been spent in the past twenty years. Farmers with submerged lands adjoining that interesting stream are wondering what was done with the money.

It was to be expected that the millionaire laborer who wore his working clothes when he went in search of a wife would find a girl with imagination enough to guess how he would look in a dress suit or going togs.

The English papers are saying that wherever golf goes there is an increased demand for Scotch whisky. Let us hope, since the championship has been won by an American, that home-made goods may now supply the Scotch product.

John Bull promises to make the Boers so happy under his rule that they will be assamed of themselves for not having begged him to take hold at the beginning. It is to be hoped that John isn't merely talking in order to clear the applause.

Senator Clark denies the story that he is engaged to be married. With new politics and business on his mind the senator evidently feels that he has no time for the serious affairs of life.

So far none of our multi-millionaires has contributed to the Campaign fund with the proviso that the new tower shall be named for him.

The new Chinese minister is a great admirer of reporters, which ought to prove conclusively his mania to read his title clear in diplomacy.
