

Presidents in Rented Houses

THIS is not the first time that a President of the United States has been obliged to occupy temporary quarters on account of repairs at the White House.

Perhaps the most important homes dwellings serving as a substitute for the White House.

of their owners set forth, and the troubles of correspondents discussed, all with an unbecoming grandeur and dignity of style which approach the humorous in American eyes.

MORMONS WORK IN ENGLAND. Their Missionaries There Are Gaining Many Converts.

There is commotion at Sarum and the sleepy old city is being roused out of its somnolence by the aggressive Mormonistic propaganda.

of President is the Octagon House. This picturesque old residence was owned by Madison's mother-in-law.

President Madison occupied the Octagon House until the close of his administration on March 4, 1817.

Just once, I'd lean back in my little chair. And bet the limit sure, whatever it is.

Several of the Presidents, including Arthur, Grant and Lincoln, spent a considerable part of their lives in the White House.

Hard to Catch. Over on the eastern shore of Maryland in the district presented by Congressman Jackson there was a man who was suffering from a severe case of "shakes."

Queer Place for Petroleum. There is probably no other city in the world that can show a hospital, within a few yards of the grounds.

An Original Death Notice. The following appeared in a local paper at Krugersdorp, so the Local Mercury says.

The Cat Columns. One of the features in which English periodicals for women differ from American magazines of the same kind is the "cat column."

GREAT FORESTS OF CORK.

Home of the Evergreen Oak in Spain

The cork forests of Spain cover an area of 620,000 square miles, producing a cork that is used in many ways.

In Spain and Portugal, where the cork tree, or Quercus suber, is indigenous, it attains a height of from 35 to 60 feet.

Merchant Who Sues Recipient of Message Loses in Berlin Court.

In Berlin a legal decision was recently rendered which is of interest to every lawyer in every country who uses a telephone.

These Hash Stories. The eminent politician sent for the newspaper correspondents.

Sir F. Burnand's Unprinted Joke. Many are the stories of practical jokes connected with Sir F. Burnand's name.

Why Rats Are Safe in India. Although the rat is the pestiferous part of Rajputana, Gujarat and the Central Indian states is less widespread than hitherto.

Who Gets the Nerve? The general part of Rajputana, Gujarat and the Central Indian states is less widespread than hitherto.

After Long Years. An old man who had been working for a firm for many years was called one morning into his boss's private office.

The Cat Columns. One of the features in which English periodicals for women differ from American magazines of the same kind is the "cat column."

A Filipino Fortress

UNDOUBTEDLY military men, engineers and the public in general will wonder why the Moro fort of Pandapatan of the Sultan of Bayan on the island of Mindanao offered the resistance it did to the American attack.

The Moro fort of Pandapatan of the Sultan of Bayan on the island of Mindanao offered the resistance it did to the American attack.

Very promptly surrendered to our column in the march from the sea to the lake country in the interior.

In fact about every house is a fort. The first step of the Moro is to build a wall of stone and bamboo stakes.

A Japanese Trick. A story is told of the call Mall of the Russian admiral entering into an agreement with a Japanese contractor to purchase 100 tons of coal.

Courtesy Well Rewarded. Showing a rich Putney lady of mature years happened to be in Regent street, London, and being desirous of crossing the street.

Why We Grow Old. A French writer, Jean Finot, discussing the question why we grow old.

Rough on the Clergy. In a certain Cleveland minister's family are two youngsters who play marbles on the lawn.

Birthplace of Cecil Rhodes. A slab has been fixed to the front of the house where Cecil Rhodes was born at Bishop's Stortford.

Reindeer as Food. It is stated that an attempt is being made by some enterprising Norwegians to introduce reindeer as an article of diet in Europe.

Great Wall of China was built 215 B. C. and is over 1,250 miles long.

Real Estate Exchange

These cannons were slung up on beams or arranged in port holes.

The general arrangement might amuse one under ordinary circumstances. This time every piece of ordnance of the enemy was made to do its execution that we cannot ridicule the devices.

John McCall has a hole five feet in diameter in the roof of his house.

Twenty-one and two-thirds acres of land near Irish creek in Boyd township.

No better farm in the State of Michigan is to be had for less than \$100 per acre.

Twenty-five hundred acres of land near Irish creek in Boyd township.

Twenty-five hundred acres of land near Irish creek in Boyd township.

Twenty-five hundred acres of land near Irish creek in Boyd township.
