My Lungs

"La grippe left me with a bad cough. My friends said 'consumption.' I then tried Ayer's Cherry Pectoral and was promptly cured."

Ayer's Cherry Pectoral

For you to buy a bottle of Ayer's Cherry Pectoral when your cold first came on, so you let it run along. Even now, with all your hard coughing, it will not disappoint you.

There's a record of sixty years.

Consult your doctor. If he says take it, it doesn't take it. He knows.

One of Ayer's Pills at bedtime aids the Cherry Pectoral in breaking up a cold.

DR. J. C. AYER & CO., Lowell, Mass.
