

# Michigan Happenings

**One good thing about a horse race, there is no time limit.**

The biggest bargain counter of the world for women is the altar.

The military automobile, we assume, will be equipped with bullet-proof tires.

There are no reconcentrations in the territory which has been pacified by the Turk.

If Prof. Langley succeeds in making his flying machine carry him, he will be a "bird."

**Two million dollars.**

The sentence pronounced by Judge West upon Earl R. Sutton for forgery, \$200,000, will be paid by Arthur Marsh and the Henderson-Ables Co. of Kalamazoo, to defraud the military deal during the Spanish-American war. The fine was paid within half an hour that the clerk of the court with money that Sutton and his father-in-law's old friend, Prof. Curtis, brought.

Gov. N. V. Winant will arrive in town Tuesday. An hour later Sutton was on his way to Detroit, where, at 11 o'clock Wednesday night, he was arrested by Sheriff, to join his wife and child, who are at the Solms home. He will return to Lansing, temporarily, until the terms of the Michigan circuit court, which begins next week, to testify for the prosecution of the late State Senator John Holbrook. The specific charge against Holbrook is that he had a taxicab man who had been summoned to serve on the Sutton jury \$200 to acquit him on the charge in which he was convicted. The taxicab driver, Sutton admitted in open court, was fraudulent.

**The Railroad Cases.**

Four members of the state tax commission are in Lansing next Monday morning, according to the report of the state tax commission. The members are: J. W. McLaughlin, Sayre and Freeman are to give testimony, but Kerr, who was not a member of the commission, was made, was not subpoenaed.

The testimony in the big case was taken Tuesday morning in Lansing's common council room, which is the headquarters of the state tax commission.

Benjamin H. Hackett, of Saginaw, has general charge of the case for the railroads. Hackett, who was associated with the late Michigan circuit court, which begins next week, to testify for the prosecution of the late State Senator John Holbrook. The specific charge against Holbrook is that he had a taxicab man who had been summoned to serve on the Sutton jury \$200 to acquit him on the charge in which he was convicted. The taxicab driver, Sutton admitted in open court, was fraudulent.

**The Situation in the Canadian Soo.**

Tuesday morning was quiet, though there was a slight increase in the number of regular tourists. Two hundred and sixty of these tourists arrived during the day. After the shooting of the rioters Monday afternoon, these tourists in the hospital, one being not fatally wounded. There were several cases of pneumonia, but the outbreak of pneumonia at the end of the week, which has been reported by the health officer, is not believed to be connected with the rioting.
