# NO. 30. WHOLE NO. 1313 Positively the Greatest **Buying Opportunity** Ever Offered

And when we say that we are but repeating what thousands of happy and satisfied purchasers have said.

satisfied purchasers have said.

Don't confuse this with those ordinary special selling events you've known it's far different in every way.

This was not a planned-for sale, It wasn't thought of when we were so carefully buying and preparing for our fall and winter trade, and it would have never taken place if Mr. Bird had not purchased a half interest in this firm. His doing so made it imperative that this entire stock be disposed of as soon as possible. That's the reason you can choose from

### \$200,000 Worth of Clothing Furnishings and Hats at Prices Never

Before Named

Such values were never known in Detroit. It's the buying opportunity of your life, so if you would economize, take advantage of it and buy for future use as well as the present.

But we don't want you to take ours, or anyone's word for its saving advantages; come in and see for yourself. You'll not be asked to buy.

se'll not have to ask anyone for that matter—our irresistible prices and high quality do the selling.

And remember this that you rough a side of the selling.

And remember this, that you run no risk of getting passe styles at this store, but the best proof of that is the articles themselves.
