Young Plants

Every farmer knows that ome plants grow better than thers. Soil may be the same and seed may seem the same

and seed may seem the same ut some plants are weak and thers strong.

And that's the way with hildren. They are like young Jants. Same food, same home, ame care but some grow big and strong while others stay small and weak.

Scott's Emulsion offers and analysis way out of the difficulty.

easy way out of the difficulty. Child weakness often means starvation, not because of lack of food, but because the food

oes not feed.
Scott's Emulsion really feeds and gives the child growing rength. Whatever the cause of weak-

ness and failure to grow— Scott's Emulsion seems to find it and set the matter right. Scott & New Pourl St., New York Scott & New York

Labor is the corner stone of faith.

Richest Mile on the Earth

Strip of Land at Kalgoorlie, Australia, Has That Distinction In the Midst of Waterless Region, In Which There Is No Sign of Vegetation.

Water sells for \$2.50 to \$6.25 per of the find spread, and there was a unived gallons at Kalesorile. There rush for the new territory. Miners not a sign of vegetation at Kalesorile in at the rate of 2,000 a week unique, or all appearances the jumping off piece of the earth is stated out in claims.

Horace Greeley's Life a Failure

Senator Depew Says the Great Editor So Regarded It-Par thetic Scene at the Close of a Most Brilliant Career, When His Great Heart Broke.

When His Great Heart Broke.

The character and career of Amos J.

The working was the compositors, nor with the adventurers of the absolute the compositors, nor with the adventurers of extraordinary genius, whom he worshiped—one Horace Greeley, the worshiped—one Hor of extraorumas, ownshiped-one Horace Greeley, the over for cotage Charles A. Dana.

No proper appreciation of the life and services, of the ability and character, of Horace Greeley has ever been written. There was a time—and at that time Cummings was with him—that time Cummings was with himself when there came every day from the Tribune office a paper with those editorials written by that pen which included the Judgment of millions, close of the controlled the action of parties and dominated the legislation of the amount of the controlled the action of parties and dominated the legislation of the controlled the action of parties one of controlled the action of parties and dominated the legislation of the controlled the action of parties are always 1 one of controlled the action of parties to my controlled the action of parties the parties of the parties and the parti

Writer in the World's Work Claims the Outlook For the Negro Is by No Means Disheartening—Good Work
Done by Real Leaders of the Negro.

In most of the discussion of the race problem little is and of the activation of the megros own point of view. He is the negros own point of view. He is the held at Tunkeese show year after exception of it all. He is at once the innocent cause of it and the chief figure of it all. He is at once the innocent cause of it and the chief of the control o
