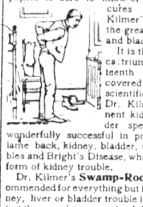
DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.



It is the great medical triumph of the nineteenth century, discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's **Swamp-Root** is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested so many ways, in hospital work, in private practice, among the helpless and poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

A Wonderful Invention.

It is interesting to note that fortunes are frequently made by the invention of articles of minor importance. Many of the most popular devices are those designed to benefit the people and meet the popular conditions, and one of the most interesting of these that has ever been invented is the Dr. White Electric Comb, patented Jan. 1, 1900. These wonderful combs positively cures dandruff, hair falling out, sick and nervous headaches, and when used in connection with Dr. White's Electric Hair Brush are positively guaranteed to make straight hair curl in 25 days' time. Thousands of these electric combs have been sold in the various cities of the Union, and the demand is constantly increasing. Our agents are rapidly becoming rich selling these combs. They positively sell on sight. Send for sample. Men's size 35c, ladies' 30c—half price while we are introducing them. See "want column" of this paper. The Dr. White Electric Comb Co., Decatur, Ill. The Lazakola Co., 45 Vesey St., New York, have published a remarkable little book, "Advice to Dyspeptics," free to those who ask for it. It tells all about dyspepsia, its causes, what to eat and what not to, and if the advice is followed no one really need be troubled with indigestion. We sell their dyspepsia cure, Pepsikola Tablets, 25 cents, and are authorized to refund the money if the purchaser receives no benefit. Pepsikola Tablets tone up and stimulate the stomach to do its own work by increasing the gastric juice and saliva. It is particularly recommended to those whose appetite is poor, with coated tongues, distress after eating and the other ills always attendant on dyspepsia.
