

Michigan Happenings

A talkative friend is often more dangerous than a silent enemy.

China admits that in the door business Russia practically has a clutch.

The hole rush would appear to be pretty scarce as strenuous as the canoe rush.

The racing automobile is the deadliest toy that millionaires have ever amused itself with.

Japan does not seek war with Russia, but it cherishes the hope that may be forced upon it.

Miss Littleby is to be married, according to a Los Angeles paper. Many happy returns of the day!

It's curious how many sizes larger a woman's feet grow on her way from the shop to her home.

Daniel J. Hardy has made so much money "bulling" cotton that he has got to go to Europe to spend it.

The astronomer have formed a "Within another year the people will have to pay dearly to look backward."

Patrons of the Roman amphitheater never knew what they missed by leaving the automobile was invented.

Wouldn't it be a sight to see the two Shamrocks and the three American 60-footers all together in a big race over here.

It seems a pity that about the only way for a man to learn who a woman is a woman he ought not to marry is to marry her.

The Reliance is said to have a "full, blunt nose." So long as it is not out of joint and she wins the race we can probably forgive the rest.

It needed no Minnesota supreme court to establish the fact that a masher is a parasite. But it may make the job of scraping him off easier.

No one who has observed the tenacity with which a woman clings to an opinion once fixed will ever again refer to her as a member of the weaker sex.

New York is to have a building 40 feet long, 26 feet wide and 17 stories high. They might as well build it in space by using the building as its own chimney.

It is claimed that Carnegie has more than \$100,000,000 left. This, however, may be a mere rumor started by his enemies who want the tax man to get after him.

John L. Sullivan casts an X-ray on Emerson's essay on the frog which is so convincing that he writes "I set a station to catch a Bostonian."

Five things make a man madder than going to the theater and seeing everybody that owes him money absorbed in the performance from a seat in the box.

That Burlington, Vt., blacksmith who became mayor a few days ago is already greatly surprised at the large number of people who seem to be able to use the hammer.

Next to the man who volunteers advice on how to cure rheumatism, the man with a pancreas for a pillow is entitled to a place in the race for the position of leading nuisance.

Two Austrig princesses and a baroness will attempt to swim across the English channel. Whether they succeed or fail they will have taken a great deal of material near by variety stage.

Kentucky is priding itself on the death of a centenarian in his bed. We hazard nothing in saying that he did not live in either Clay or Breathitt county, where forty is considered a green old age.

It is pretty hard to work up much sympathy for the American girl who thinks she has married a titled foreigner and then finds that he is a first-class water or has an honorable record as a convict.

THE NEWEST LAWS.

The regular session of the forty-second Michigan legislature came to an end at noon Thursday. The last bill signed by the governor was one increasing the number of Justices of the supreme court to eight. Gov. Bliss signed this bill, though his personal inclination was to have it passed without the change in the number of Justices. The bill signed on Thursday and approved by the governor was an Appropriation Bill for the fiscal year 1906. It appropriates for the Michigan State Normal University for the fiscal year 1906, \$1,000,000. It also appropriates for the Michigan State Normal University for the fiscal year 1906, \$1,000,000.
