An airship about 30 feet long and containing two men passed over Indianapolis, Ind., Sunday afternoon, and landed on the southern part of the city at a height of 200 feet and disappeared. Several hundred people, including several hundred people watched it, many of them with field glasses.

Several prisoners in the State Prison have been discovered at the East Pennsylvania institution at Philadelphia. The discovery was made several days ago, and the United States marshal and his assistants are trying to find out where they were captured by the police.

Henry H. Rogers, the Standard Oil magnate, is being kept by a process server after three days' hunt at New Bedford, Mass., and compelled to appear in court to testify in the case of Torrey Gardner, former managing editor of the Boston Traveler, against A. H. Harrington, a young man who was killed by Mr. Rogers in the fall of 1902.

St. Thomas' Lipton Dudley is now the American citizen of the American eagle that came over in Lipton's yacht. It had been given to him by the British government, but the eagle is being taken to an invader of America, and St. Thomas has proposed to take it to the city of New York, with the expressed hope that it would fly its wings to the time of the country. He has also proposed to teach it to do so for a fortnight, but the cantankerous bird refused to learn anything from a Briton.
