GRADUAL RECOVERY

This is the fate of sufferers from Kidney trouble, as the disease is so insidious that often people have serious Kidney trouble without knowing the real cause of their illness, as diseased kidneys allow the impurities to stay in the system and attack the other organs. This accounts for the many different symptoms of Kidney Disease.

You begin to feel better at once when taking

FOLEY'S KIDNEY CURE

as it stimulates the heart, increases the circulation and invigorates the whole system. It strengthens the urinary organs and gives you new life and vigor.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are the great blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their duty. Pains, aches and rheumatism come from excretion of uric acid in the blood, due to unclean kidneys.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble because the heart is over-working in pumping thick, kidney-purified blood through veins and arteries.

It is to be considered that only urinary troubles were to be traced to kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmear's Swamp-Loft, the great kidney remedy is soon realized. It stands the highest for its successful cures of the most distressing cases and is sold on its merits.

By all druggists in bottles of 50c and \$1.00. Write for a free pamphlet and sample bottle by mail. Swamp-Loft is a free-acting purifier of the blood. Mention this paper when writing Dr. Kilmear & Co., Binghampton, N. Y.

Chicago Business Man Cured

Chicago, Gentlemen: About a year ago my health began to fail, I lost flesh and never felt well. The doctor thought I had stomach and liver trouble, but I became convinced that my kidneys were the cause of my ill health and commenced taking FOLEY'S KIDNEY CURE. It increased my appetite and made me feel stronger, and the annoying symptoms disappeared. I am now sound and well. — J. K. Horn, 1354 Diversy Blvd., Chicago, June 11, 1902.

Cured His Wife

E. C. Watkins, sexton of the Methodist Church, Springfield, Pa., writes "My wife has been very bad with kidney trouble and irritation several times. After taking one bottle of FOLEY'S KIDNEY CURE was much better, and was completely cured after taking four bottles."

One Bottle Cured Him

A. H. Davis, Mt. Sterling, La., writes "I was troubled with kidney complaint for about two years, but a one-dollar bottle of FOLEY'S KIDNEY CURE effected a permanent cure."

THE WOMAN'S CORNER

SOME LATEST FASHION AND HOUSEHOLD HINTS.

Lady's Gown of Charming Design—Boys' Norfolk Suit One of the new Fall Styles—Pajamas for Young Ladies.

Boys' Norfolk Suit.

This noble little suit is one of the new advance fall styles. The jacket is Norfolk style, with the addition of collar on front and cuffs. The trousers are from cutaway style. The pattern is made with a facing of fly. The use of the simple as can be made, and the directions for making are so explicit that no difficulty will be experienced in making a suit at a very small cost.

Hold's Its Own.

The shirtwaist still showing any symptoms of retiring from favor. It will be difficult to find for every-day wear this autumn and next winter. Some new styles are in lovely fine-faced wool cloth, made with bouffant front and tautly fitted backs, the undergarment drawn snugly into line. A pretty blouse is of dahlia-bud brocade and has a collar of pale blue taffeta embroidered in red-blue shades.

Ladies' Gown.

The drooping lines that characterize so many of the fashionable dresses are shown to advantage in the fancy bodice illustrated here. The round yoke is prettily set off by the use of a pointed bodice. The bodice shows a full blouse front and the sleeves are of the newest models in "nightingale" style.

The skirt is a wide gored flare skirt, on which is placed the double drapery, and the lower edge of the upper. This insures a very stylish skirt, which may be embellished by lace, as illustrated, or decorated with stitching. The delicate summer dresses are especially adapted to this mode, and among the most desirable are a tendency to fall on the very best, organdie and mull. A charming feature of this design would be Persian lawn trimmed with Valenciennes lace.

The Sun as a Hair Tonic.

The Greek maidens of old who sat on the walls of the city and combed their hair, owed the beauty of their tresses to the sun rays. When the hair is washed, it beside a lowered window, as the sun shines stronger through glass, and allow the hair to dry as it is being raised. The hair has been found so successful as the sun, which strengthens and beautifies generally. When the hair shows a tendency to fall out, the very best thing to stop its coming out and promote its growth is the abundant use of the sun.
