

THOU ART GOD.

Thou art, O God, the life and light of all the darkness...

When Day, with farewell beam, declines...

When youthful Spring around us breathes...

POUPLY.

found on the floor where I had abandoned them in my flight from the building...

His second bad "break."

Departing visitor meant well, but I was a fool to have taken his advice...

And you are going tonight, Mr. De Jinks?

"Pray, don't mention it," he returned with an excess of gallantry.

A few moments later he saw his mistake, but could find no chance to stave for it, until, as he was about to leave for the depot...

"You haven't said 'Goodbye' to Miss De Vere, have you?"

Branch of the Seas.

Take your very stiffest sea boots off and put on your slippers...

Spotted Speech of Patriot.

Mr. Gourley, a member of the Canadian House of Commons...

The creature which makes all others crumb and grovel...

Here the conductor interrupted the patriot's declaration...

"The baby and the bull."

There is a baby on a ranch in Colorado which has struck up a curious friendship with a bull.

Dummies and Dummies.

Francis A. March, Jr., Professor of English at Lafayette College...

"I used to play football myself."

"No, this you, you see, is his quick reply."

THE CAUSE OF SICKNESS.

Disease No Longer Looked Upon as "Dispensation of Providence."

It is one of the most hopeful signs for the present and the future of humanity that the most enlightened and intelligent no longer regard preventable sickness as a necessary evil.

Experience With Broilers.

THE MOST COSTLY KNIFE.

The most valuable knife in the world is to be seen in the collection of a famous firm of cutlery in Sheffield.

Each of the larger blades is elaborately engraved and among the subjects of these strange pictures are views of Sheffield college, the city of York, Windsor castle, Arundel castle, and on the other a bear and a unicorn.
