you can buy Trusses for almost nothing, or you can pay a very high price for them; but the price of a Truss does not prove that it is going to be the Truss which you need. Serv case, has to be fitted individually. That is where we have our big success with Trusses. No one goes out of our stofe with a Truss that does not fit perfectly. Therefore a great many people are wearing a great many people are wearing does not fit perfectly. Therefore a great many peope are wearing our Trussea and sending their friends to us for Trussea. If you are wearing a Truss and it does not feel right or stay in the right place come in and see us shout it. We will tell you whether it is the right Truss for you to wear.
