It is perfectly useless for a girl to take a muff when she goes riding, for she can't use it when she drives, and if he needed it it would be too ridica-lon't lo put a muff around her waist.— Nex York Press.

Here's soping your Christmas tree

The man who takes women seriously is rapidly qualifying himself for an insane asylum.

It is a curious fact that the higher the civil'axion of a race the slower the action of the senses is. Actual experi-ments have shown that, whereas the ear of the white man responds to a sound in 147-1000ths of a second, that of a negro responds in 133-1000ths and that of an Indiaw in 116-1000ths.

that of an Indiawin 116-1000ths,

The writing on the Declaration of Indipendence is sold to be rapidly fading,
but the principles of the famous oid
document are quite as brilliant, in all
particulars, as on the day that John
Hancock and his stalwart associates
silised their signs-mound thereto. It
is the glory of the Yankee mation that
those principles shall never dade from
the patriotic American heart,

the patriotic American heart.

The 4,000,000 or 5,000,000 Hebrews
living within the "pale" in Russia constitute about haif the entire Jewish
race. This space to which the Jews
are limited is about the size of the German empire. It is a territory reaching
500 miles eastward from the German
frontier to a line 1000 miles long drawn
from the Baltie to the Crimes, and
would be ampie room if Hebrews were
permitted to cultivate the soil.

ample room if Hebrewa were permitted to cultivate the soil.

An English clergyman declars that there are laborers in his parish who the lacky number drawn obtains the quilt.

A surprise party on Mrs. John Hadden Monday night was a' complete affait despite the bitter cold night, a large company assembled.

Mrs. Musgrave lab returned to Briningham. He a ster, Mrs. Cyruslaris, whom she has been more command also command Mrs. Musgrave Ia's returned to Bringham. It's stern, Mrs. CyruJarvis, whom she has been nursing,
seems slightly better.

Geo. Wright and Clara Morley. Frank
Geo. Wright and

The Secretary of Agriculture, in co-operation with the Food Commissioner-ot the various States, has adopted a schedule of pure the distance and a procialmed it, with the idea of supp.-ing a common basis to which the pur-food regulations in all the States can be adjusted because the states can be adjusted, observes the Pathfinder The schedule defines what is meant by The schedule defines what is meant by full like recan, lee cream, cream cheese. If milk, cream, lee cream, cream cheese. If milk, cream like conditioned milk, cane syrup and milesses, gituose or corn syrup, condy-last coolate, cocoa, pepper and other opinions of the constituents of all such articles are defined, and articles that do not could be consistent of the constituents of all such articles are defined, and articles that do not could the constituents of all such articles are defined, and articles that do not could the constituents of all such articles are defined, and articles that do not could the constituents of all such articles are defined, and articles that do not could the constituents of all such articles are defined, and articles that do not could the constituents of the constituents of the constituents of the constituents of the constituent of the constituents of

"A good-night blessing" is a message that comes with greater meaning than the power of Kings-it cheers lonely hearts and brightens the way for the conling struggles of the day.—Florida Time-Union.

MERE OPINION.

What we call cowardice at 20 has become discretion at 50.

No one should resilv hesitate on tring 25 cent box of PEPSIKOLA as it wilt to call you a penny should it fall to religious and cure the very worst case of induced and drapepsia. Sidd by Whitehead Mitchell.
