### GREAT ANNUAL PRE-INVENTORY SALE 1904 1904

We are making ready for our Annual Inventory. Settling up day is February 1st. What a world of work there is to be done. Think of counting, measuring and writing down everything in the way of merchandise this store holds.

But the Pre-inventory Sale helps: There's thousands of dollars worth of goods that we'll never have to . We're going to sell them.

The low price that we have put upon the remaining Winter Stock—half less than half and never more than cost, is sufficient to make \$1.00 do the work of \$2.00 and \$8.00 travels as fir as \$12.00 or \$15.00.

Outside the staple lines that you demand both su mer and winter, you may depend upon get ing everything else from a thire and a half less than the early season's price

And even some of the staple lines have been cut. Many CARPETS, LAGES, SILKS, etc., can be bought until February 1 at prices unheard of, except in a Pre-Inventory Sale.

Our Price Lists are out. Read them Carefully.
