

King of the World... The pumpkin section is here, and all the country boys and some of the girls are making jack of lanterns...

The Pumpkin Fountain... Here is another way of extracting movement out of a pumpkin vine, but without scaring people or getting their nerves on edge...

The Pumpkin Fountain... You must insert from about small end of foot and pull through, until the joint is tight...

The Pumpkin Fountain... The tip of the tube should be an inch or two above the burner, and if the hole of the tip is not very fine it should be plugged with a bit of cork...

Rooster and Hen... As many girls and boys as wish catch hold of each other's cost tails and skirts...

Catching Fish With Telephones... A Norwegian had been questioning...

A Little Bravo... Years ago the Indians lived on the banks of a beautiful river...

way of finding out whether the fish are in the house... A microphone, which is an instrument which will catch and transmit the least little bit of sound...

Toboggan Travels Fast... There is a spot in the Swiss Alps where a sled or a toboggan runs a mile in seventy seconds...

Pindotery... Scissors and a knife are all you need. This Fancy Dance is cut out and fastened together with a pin...

Devilish Malvolence... "You've the villain's soul," said a music man to a huge, fat, and fat man...

Route of the Bobolink... The amount of traveling done by some of our birds is astounding...

Origin of Two-Headed Eagle... The two-headed eagle is the emblem of Russia...

A FINE VIEW... Two smart young men from London once came upon a decent-looking shepherd in Anglebury...

County Without a Theater... Cornwall is the only county in England that has no theater...

The only building in Lhasa that is at all imposing is the Potala... It would be misleading to say that the palace dominated the city...

It is not a palace... The Potala is superbly detached. It is not a palace on a hill, but a hill that is also a palace...

That Heri Tarripin has memory is proved by a story told by Young D. House... Chief Justice Lyons, on Bay's creek, in Calaveras county...

There are no monuments of the Potala... Lhasa itself is equally and fitly unadorned and simple...

On one occasion a fresh young man threw a piece of tobacco to the formidably young... Heri Tarripin tried to catch the tobacco...

It is sacred innately achieved the impossible... Divinity or no, he has at least the divine power of vanishing...

They were spending the autumn in the Sierrita mountains... a shooting expedition had been planned for the next day...

Traction Car Innovation... After a series of experiments, the Traction Car company of Birmingham, England, has decided to use on its suburban lines a small, direct-current petrol-driven car...

That's not a "Kil!"... Within the sacred precincts of Lhasa the taking of life in any form is sacrilege...

Entrance to Chinese Embassy... tion was executed by the Chinese on account of its profligacy. The seventh was deposed by the Chinese as privy to the murder of the regent...

Sanctified Murder... There are no monuments of the Potala, secret smothering and hired assassins. The children disappeared...

They were absorbed into the Universal Army... they were literally too good to be true...

So when we reached Lhasa the third day... Incarceration had fled, no one was murdered...

When we paraded the city we made a complete circuit of the Potala... There was no one, not even the humblest follower...

They were spending the autumn in the Sierrita mountains... a shooting expedition had been planned for the next day...

That's not a "Kil!"... Within the sacred precincts of Lhasa the taking of life in any form is sacrilege...

That's not a "Kil!"... Within the sacred precincts of Lhasa the taking of life in any form is sacrilege...

In-Bred Ducks... In general, speaking of outcrossing increases the size of birds. There are certain good reasons for this...

In selecting for breeders the thing I look out for is the frame of the stock. When I select I am sure of getting big birds...

During the breeding season I make sure my stock has secured 10 pounds or more of gain...

I cut the clover quite fine and put it into a large pan, filling up the cover. Onto this I pour boiling water...

I try always to get cheap feed. I buy the cheapest grain I can get, the cheaper the better...

I feed my ducks in troughs as I do my hens. I have their troughs wet but not sloppy...

Powls that are to be marketed should be confined at least two weeks before they are placed on the market...

They were spending the autumn in the Sierrita mountains... a shooting expedition had been planned for the next day...

They were spending the autumn in the Sierrita mountains... a shooting expedition had been planned for the next day...

Vendors of Foodstuffs... unknown. Those hidden corridors and passages were watched for centuries...

"You shall not Kill!"... Within the sacred precincts of Lhasa the taking of life in any form is sacrilege...

They were spending the autumn in the Sierrita mountains... a shooting expedition had been planned for the next day...
