# THE BIRMINGHAM ECCENTRIC

Since West Point beat Yale at football the Yale professors are unalterably opposed to anything that savors of militarism.

A University of Pennsylvania pro-fessor has discovered the germ of lazi-ness, which appears to be about the busiest of the lot.

Russell Sage has placed the seal of his approval on the New York subway. This is rather strange, inasmuch as it cost so many millions.

A telegram from New York says John L Sullivan has signed the pledge again. But this has ceased to be a matter of public interest. John L. broke the pledge-signing record long, long ago.
