Colts and Nutrition... Without doubt the size and vigor of colts depend largely on the nutrition

Living expenses may have increased 15 per cent... but it is asserted that drying expenses have grown in the same ratio

It will utterly confound all of the Bostonians in the country to hear that a Bostonian has committed suicide because he could find no work to do

A New York car conductor found \$1,500 hidden up the conductor and found it to get the best of a Canadian

New Jersey is about to abolish its toll roads... When this reform has been accomplished and the mosquito exterminated New Jersey will be considered eligible for admission into the union

New York is congratulating herself on the healthiest summer she has seen for ten years... On reason may be the fact mentioned handed her from pneumonia in that awful time last winter

Down in New Haven they are talking of erecting a monument to Ell Whitner... The inventor of the cotton gin was the first man to get rich when a man has to wait 100 years for a monument it settles beyond doubt that his memory is worth it

The Clean Stall... It is a useless piece of advice perhaps to say "Keep the horse stall clean."
