

Large output of boy bands will yet raise up apologists for King Herod.

Ball River, Ariz., is about to be damned. Anti-profiteer paragraphs please keep off.

Whitaker Wright would have saved a lot of trouble if he had committed suicide a dozen years ago.

Woman's earl is so perversely mathematical that forty-nine cents sounds only half as big as a cent.

Girls at a cooking school in Berlin are making their own sausages. The date of the funeral will be announced later.

When London says "Hello, there!" to Plymouth Rock, we realize how much the hand of Father Time has made smooth.

Daniel J. Sully's profits in cotton are reckoned from six to fifteen millions, and he escaped all the worry of the boll weevil.

With some minglings the people have tolerated, if not accepted, "margraves" but there is a limit. "Figgotgram" will not do.

As long as Mr. Morgan believes in the originality of the transcript of Byron's "Corinth" he is happy, whether it really is or not.

There is nothing to indicate that the old - ebers are taking to the woods. It may be so long since the last leaf that they have forgotten the danger.

The University of Berlin has given an American girl the degree of Ph. D. in the science of German professor's refusal to accept an American girl anything?

Spain thinks of building another navy. When she gets ready to spend the money let us hope she will have the good judgment to patronize our shipyards.

No better evidence of the gentle and forgiving disposition of Pope Pius X. could be brought forward than the fact that he blessed a friend's fountain pen the other day.

A New Jersey family has been poisoned by succatash. Now if it can only be shown that grines are dangerous there may still be hope for the other day.

Three sisters were operated on in Georgia the other day for appendicitis. The society reporters were so busy that the doctors were of what kind of treatments were served.

Count Zepherin of Germany, desiring to build an airship, has taken up a collection aggregating \$125,000. It is an air frigate he is in the class of our own Prof. Langley.

At a teachers' convention the question, "How to interest the Young in the Sunday School" was discussed. Perhaps having a Christmas tree every week would help some.

A Kansas paper tells of a collision "between a freight train and a heavily loaded passenger." When a passenger gets heavily loaded he should not walk on the railroad tracks.

It used to be said that the man who had got together his first \$1,000 was to be rich. Now it is said that a man's age of being rich even after he has got together his first \$100,000.

Gen. Jiminez is reported to have won an important victory in San Domingo. He has lured away the only private in the army, leaving the government with none but officers on its hands.

Prof. Vincent, who says that "molecular strength" is the key to the world, is so confident that he will be able to lead people to believe in it that he would qualify his remarks as to some thing.

And yet it is said to see that Pilgrims on two sides of the ocean pleading each other's health in cocktails, particularly in view of the fact that they don't know how to mix them in London.

If the scientist who disseminated the theory that money was full of germs is reported to have led a load of people to believe in it, it would lead their paper dollars upon him he knows better by this time.

A correspondent for an eastern paper has just discovered that Uncle Sam's motto, "E Pluribus Unum," is thirteen letters in it. There is a saying that it has been generally found unwise for anybody to meddle with that motto.

The principals of the Brooklyn public schools want the right to punish and restrict to them, and to suggest that the necessary spanking be done with a good piece of rubber hose. Ah, the short days in the schoolhouse of the hills!

Panama has solemnly pledged heretofore when she gets that \$10,000,000 of canal money she will put all but two millions of it right in the bank and never touch a cent of any of it except for the interest, almost every expectant beneficiary starts off.

While standing for the national legislature on the floor of the Illinois legislature, Henry George, 15 years old, and George Johnson, 10 years old, were arrested by the Chicago police for stealing 1,000 pounds of silver bullion from the National Savings & Building Society.

Somebody asks the New York Tribune: "What is a billion?" and the Tribune does not take advantage of the opportunity to answer it. "Somebody that most of us will never see."

RUSSIA REVERSES AT PORT ARTHUR. LOST 18 SHIPS.

Artur has been blown up. The Russian fleet in the Gulf of the Daily Telegraph expresses the conviction that Russia is quite unable to maintain the strategic position of Port Arthur is bound to fall in time, even without an assault.

Repeated attacks on Port Arthur are not for the purpose of seizing that place at present, says one correspondent. The Japanese plan, unless an unexpected work-up in the fortification there should develop, are its part of a well defined plan for the harbor.

The Russian fleet in the Gulf of Korea can be accepted. The blowing up of the fleet there could mean the loss of the fleet without the convey of a large number of warships.

The second number of the war form. First, however, it is learned that the Japanese are making a line of communication well up the railroad running from New Chungking to Port Arthur. It is believed that the Japanese force will land at New Chungking shortly for this purpose.

The Japanese force from the Japanese mainland will have to be placed in the field. The troops are being moved by air from Korea to the Japanese mainland at Suway, Kimo, Miji and Yokosuka.

All the steamers of Japanese merchant vessels are being requisitioned for auxiliary services, armed with quick firing guns and fitted with torpedo tubes.

News in London allege that there has been a little between the Russian and the Japanese forces about the former moving south from the Yalu, encountered the Japanese forces from Ping Yang, a sharp skirmish followed, in which eighty officers and men were killed and 1,000 Japanese prisoners.

The report further states that the main army of the Japanese is now moving south from the Yalu in two large corps, which may turn a battle upon the Japanese army along the Yalu in the largest year has in the past, involving \$2,000,000 of the Japanese.

60,000 of whom are north of Seoul and are either near the scene of the fighting or are being moved by rail. The Russian forces are cavalry and light artillery, but the Russians have decided to fight the matter of it in both these branches.
