

The Duchess of Norfolk is receiving no congratulations from American heralds.

In the case of an important dispatch they were in the room at the top for the first time.

Butler is reported from in the Calumet producing exchange. Doubtless some of it is strong also.

Mr. Schwab's visit to Karpis will not meet the newspaper's nearly so much in Kable tells this time.

Landon Lynn, the famous jockey, is being to become a doctor of medicine. Hasn't he been in enough killings?

Tal An, with a war in the neighborhood and a new automobile, is one of the most worried people in the Orient.

A Louis XV (pronounced Cans) snuff-box has been purchased for \$10,000. Now, wouldn't that make you sneeze?

A western railroad has ordered its employees to take physical exercise daily to take this include the baggage smashers?

A man 80 years old has just been admitted to the bar. With a bit of luck he hopes in time to be able to build up a good practice.

Korea's emperor has hundreds of wives; almost as foolish as Solomon, who was wise enough until he acquired the marrying mania.

Japan will practice on the Russians with a new variety of explosive, but from all accounts the original package was a fairly safe dose.

"Tall American girls" says an exchange, "are very popular in Europe." And the same authority might have added that short ones are, too.

A French dancing master has been making chorus girls more graceful by hypnotizing them. Usually it's the girls who attend to the hypnotizing.

An effort has been made to get John L. Sullivan into the Carrie Nation theatrical company, but John won't stand for the saloon-smashing antics.

Mrs. Sarah Grand not only smokes fourteen of the nastiest things in a day, but she inhales the smoke, which may account for several of her peculiarities.

Kunzite, the new gem, is described as coming under the head of apatite, otherwise known as triphane. That makes it clear to the merest child.

The Kramps and the Krups are not doing looking forward to a brisk trade as soon as the present trade in Europe and Japan and Russia can negotiate new loans.

It is to be hoped that the Massachusetts minister who officiated at thirty-five funerals last year, with a total profit of \$2,49, had better luck with weddings.

Plans are being made to have a classical baseball team in Washington during the coming season. Such plans are regularly made at about this time of the year.

It is said the names of Russian warships are frequently changed. This may explain why Russia sometimes loses a fleet of a dozen vessels out of a possible four.

Baltimore is to be greater and grander than ever. There's nothing like a setback to make the average American grit his teeth and decide to show the world what he can do.

The name of the capital of Korea might appropriately be changed from "Seoul." At least, some of the foreign residents might think so before this cruel war is over.

The old saying that lazy folks always take the most pains is not completely true. They do for a while, and then they slough in peace and contentment and watch the contrivance while it does their work.

The real estate dealer who is to sue a bookmaker for \$75,000, lost at Saratoga and other racetracks, probably wouldn't have rolled his fingers with the money of the bookmaker if he had won. Oh, no.

The Chicago banker who in letters to his love told her: "You are a veritable brown moonlight to me—so beautiful—and yet so unresponsive," addressed her as "moon chere." Evidently he has much to learn.

Lieut. Perry, discussing his projected dash for the North pole this day, said the long Arctic night is all he's afraid of. He doesn't mind the cold, but the prospect of a long, dark, and cold winter to which he was speaking. Perhaps he felt acclimated.

A verdict of \$50 for the alienation of a husband's affections may be said to satisfy all reasonable requirements in the majority of such cases. It is not that the plaintiff's material hands are wrong, especially when there is a horsewhipping thrown in.

Forward comes a doctor with the statement that appendicitis is contagious. While this is the old grape and theory, it is also the old grape and theory, it sustains the common belief that doctors know little of the malady beyond the expeditious way to amputate it.

A New York farmer recently shed a hive of bees at a sheriff who dropped in to arrest him, materializing the respectful dignity of the officer and violating nearly every article of the Geneva convention.

FEELING AT ST. PETERSBURG IS HOSTILE TO AMERICANS--COMPLAINTS OF ILL TREATMENT BY JAPANESE WOMEN--VARIOUS REPORTS AND QUORNS.

A report from Port Arthur states that the town is already on short rations and that the situation is becoming more and more desperate. The authorities are unable to do anything to relieve the situation, and the Japanese are being treated with increasing hostility. The Japanese women are being ill-treated and their property is being confiscated. The Japanese are being treated with increasing hostility and are being treated with increasing hostility.

The Japanese have occupied Ichio-Yang and are now fortifying the walls of the town. This was the objective point of Gen. Mishchenko, who was defeated at Khasan, Korea, and was expected to arrive at Ichio-Yang Monday. The Japanese are being treated with increasing hostility and are being treated with increasing hostility.
