challenges my veracity. Have I not too long suffered?

The church was crowded. The congregation was in a whirlwind of excitement. The new minister was to officiate.

Merle was the youngest, liveliest, most tactful of the three. He was more moderate, and while a clever entertainer, she failed to impress on her studious frangibility as a humorist.

The war was on. The general public, had the most important question, "Who would win the minister?"

"Don't go too far, man!" the minister exclaimed. "My calling prevents me from remembering you kindly at home, reverend father."

"My dear little Nora remembers you too. It was that month tongue of yours, you blackguard, that was her from me?"

"Laugh on Would-be Lover. An incident suggestive of Boccaccio has just taken place in the village of Bonaventura."

The tourist and the Porter. An English tourist stopping at the Fifth Avenue Hotel was discussing the "five" merits of British and American railway services.

Naturally Adapted. "The most successful story of a business on his mind reads has the most responsibilities."

Spin Webs in Which Small Birds So Commonly Enmeshed. In the mountains of Ceylon and India there is a spider six inches long that spins a web like bright yellow silk...

Curious Legal Custom. A curious custom is in vogue in many parts of India. If a dispute arises between two owners of land...

The Most Common Disease. There is scarcely another form of disease which prevails so often as often to that as Kinefy Disease. Invariably prescribe Dodd's Kidney Pills and am not disappointed in their effect.

Honor Belongs to German Chemist. Merle Morgan, of 177 that the German chemist Hermann Hoffman has just created the existence of sugar in beets...

"Come East, Young Man." "If I were asked to give a final word of advice in this whole matter, I would say to you, my boy, to come east."

American Railway for Germany. The Bavarian railway has just completed an American palace railway carriage from material imported for the purpose from the Pullman factory in Pullman, Ill.

DUCTON'S COFFEE. And His Daughter Matched Him. Coffee drinking troubled the family of a physician in the city of Boston...

Opportunity. Life is something more than a good dinner, a cigar, a bottle of beer, a slice of pie with the silver fork.

Chicago Weather. "I've heard a great deal about Chicago's inclement weather!" "Yes, I understand the temperature is very variable and there are frequent blizzards here."

Behind him to one's horse often teaches kindness to one's wife. A paluted venter may cover a dirty undershirt.

Howard. He told his friends he was positive something was wrong, and that he had determined to find Howard and have him prove his innocence of the crime.

A little detective work soon put Winton on the track. He learned the whereabouts so he hastened to Auburn.

Dr. Howard and Merle walked slowly along on their return journey. They were suddenly confronted by Winton, who called out roughly:

"Don't go too far, man!" the minister exclaimed. "My calling prevents me from remembering you kindly at home, reverend father."

"My dear little Nora remembers you too. It was that month tongue of yours, you blackguard, that was her from me?"

"Laugh on Would-be Lover. An incident suggestive of Boccaccio has just taken place in the village of Bonaventura."
