PLEASURE.

The pleasure of the toper is in his cups. The pleasure of the gourmet is in his dinner. The pleasure of the mondaine is in her frocks. The pleasure of the belle is in her beaux. The pleasure of the scholar is in his books. The pleasure of the priest is in his prayers. The pleasure of the philanthropist is in his good works. The pleasure of the worker is in his workmanship.

REFLECTIONS OF A BACHELOR.

Husbands pay for the fine feathers that make fine birds; bachelors admire them. A girl is always willing to admit she is fat if it doesn't weigh more than 110 pounds. A woman simply can't help having faith in a man who notices when she has on a new gown. A woman makes trouble for herself having children, but it keeps her out of lots of other trouble. "She's broke down and I'll have to go to the shop." "I'm on my way to college."

CONGRESSMAN JOE T. DRABLOW.

Congressman Joe T. Drablow of Arkansas, who is serving his first term in Washington, is authority for the fact that while his state may have its faults when it comes to gallantry with the fair sex "old Arkansas" shows up grandly. During his term he has given her every advantage except his hand in the street car."

THE RIGHT KIND OF A GIRL DOESN'T NEED LIPS IN HER HANDS.

A woman deliberately lies, while a woman modestly suppresses the truth. A political ring has a beginning, but like any other ring, it has no end. A college diploma doesn't always enable a man to get three square meals a day. If a druggist has no conscience he usually has something he considers equally good. Many a girl's popularity with the sterner sex is due to a rumor that she has money. I'm cautious. I'd rather be than transparent. Women, as a rule, prolong their lives by denying their age.
