

Always Something Doing

Who watched for me in other days... Who look me from my mother's hand... Who told me when to be on my feet...

The Prudence of Edward

BY MAUD STANWELL

A terraced garden, with a glimpse of the sea through arching trees... Claudia's face expressed nothing but vague surprise...

been to get into it, and the longer her pseudo-engagement lasted... Claudia's face expressed nothing but vague surprise...

"How about Amy?" asked Claudia... "I'm a little confiding, you know, Edward... I'm not really engaged to you and pretend to be..."

"This farce of our engagement is... On this occasion she excelled herself... "What a lucky thing it is you're going to marry Edward," she said...

"Come into my house," she said... "I want to write a note to your Aunt Alicia... To Aunt Alicia," exclaimed Joan... "But, my dear, she's dying!"

"When he came she was conscious at once of a change in him... "This farce of our engagement is over," she said... "To her surprise he acquiesced at once..."

"Yes, yes, if you wish it, Claudia... "I have told you no," said Claudia... "The smile on Edward's face died suddenly..."

"And, yet, after all, his Aunt Alicia's will give him a surprise... "An Edward is going to marry Claudia... "It won't matter which of these has the money..."

SMALL PEOPLE ARE POPULAR

Observant Operatic Star Has Reasoned Matter Out... "I'm not very big, that's a fact, but if I remember it is the little people that make the world go round..."

THE STOUT WOMAN'S REVUE

Ingenious Use of Using "Trixie" to Get Off Day... It was a rainy, sloppy day. In a Lexington avenue car a man raved up his seat to an old woman...

Family Conversations

Make sure, in parting of hospitalities, that you are able to discharge the obligations it imposes... "Family Conversations" is a collection of short stories...

The Initiated

All that I loved before you came... "The tender beauty of the flower," said the speaker... "I'm not very big, that's a fact, but if I remember it is the little people that make the world go round..."

French Steamer Averse to Pomp

Prescott was a "Mop's" son... "I'm not very big, that's a fact, but if I remember it is the little people that make the world go round..."

Old Fortified Entrance

At the bottom of a well, as in the manner of back rooms in Paris hotels... "I'm not very big, that's a fact, but if I remember it is the little people that make the world go round..."

DWARF BANANA FIRE FRUIT

Product of Bermuda of which Little is known... The dwarf banana of Bermuda first came from the Canaries... It is a small thing, but it is a small thing that is a small thing...

Determined to Make a Splurge

There was once a western minstrel who after two years' made his pile... He determined to make a splurge... He went to San Francisco, looked about for the most splendid restaurant...

Malaria

Have you a slow and incontinent fever... Malaria is a disease which attacks the system in the middle of the day... It is a disease which attacks the system in the middle of the day...

WOULD FLOAT A FLEET

The total production of crude petroleum in 1925... The total production of crude petroleum in 1925 was 1,165,289,727 barrels... It is a disease which attacks the system in the middle of the day...

DO YOUR CHILDREN KNOW FOLLOWERS

If you use Hooten's Fall Hints... Do your children know followers... It is a disease which attacks the system in the middle of the day...

Early California's Mail Service

It was not until 1823 that San Francisco had a mail service... Early California's mail service... It is a disease which attacks the system in the middle of the day...

Good for the Hands

A professional beauty attributes her personal youthfulness to a skin lotion... Good for the hands... It is a disease which attacks the system in the middle of the day...
