## Showing What's Doing in All Sections of the State

**"Pillgrim's Progress" on the stage?**  
Shade of John Bunyan! What is coming next!

Philadelphia proposes to purify its water with chemicals. The Kentucky plan is absurd.

"Make money your slave," says Mr. Rockefeller—but unfortunately he doesn't give the recipe.

Mrs. Besse Nuzumsky of New York is convinced that eating is a fallacy. We are sorry for Mr. Nuzumsky.

The crew of an American schooner is in trouble for fishing for sponges in Cuban waters. Never sponge sponges.

An Illinois man put a lighted pipe in his pocket, set fire to his clothes, and is now in a hospital. Tobacco is injurious.

The man who, observing your struggle for independence, warns you that money doesn't bring happiness, generally has a lot.

Farming operations generally may be two weeks behind this spring, but the weeds seem to be about as far advanced as usual.

Now that Gen. Kaibab's name is reported a "gracious yet glorious" but will be used to tie up and accuse him of plagiarism?

An English railway expert is assigned to find out the "one idea" of your railways is to get there. That's why we build them.

When Dr. Rainford says that five men can do more working together than ten men apart, he doesn't mean five writers in a newspaper office.

There be three sorts of people—those with pulls, those that are pulled, and pullers. And the rest are in the end always pulled for the other two.

"This being 'up in arms' isn't what it is cracked up to be. The father remarked, as he paced the floor at midnight with his roaring first-born.

Friends and relatives of the American war correspondents needn't worry much about their personal safety while they are kept considerably nearer to the front.

"How many bones are there?" asked a teacher and the bright boy answered: "Sixty-one torrid, two temperate, two frigid, and the Panama canal zone."

One hundred girls employed in a Connecticut woolen mill have struck for the right to quit. It will probably be pretty hard to get new girls to take their places.

One war and six revolutions are now going on in South America and the West Indies. This being the hot season, things are naturally rather dull down there.

London is going to try to decide now whether bollworm looters have a right to animals or not. But London long ago accepted opium, and swallows them alive.

There is nothing remarkable about the Cleveland lady who is finishing his high school course by telephone. All most any healthy boy would prefer that to going to school.

After searching thirty-eight years for her relatives a woman has found a son who is a prisoner in Singapore. There are a good many things that are better not discovered.

Russell Sage remarks that no man ought to pay more than fifty cents for a straw hat. Apparently it has never occurred to him that it would be cheaper still to go bareheaded.

Three thousand people of Bucaras, Austria, have been rendered homeless by a fire which recently destroyed 200 houses. The flames ate through the walls, and there is no prospect of Bucaras.

The average citizen has great difficulty in pronouncing the official names in the war news, but his perplexity is nothing to what it would be if a war should break out in Maine.

One hundred people have been killed by a hurricane in Cochin China. Their case was very sad. They were killed when they were cheering for their heaven-sent ruler.

No doubt in due time the Bayonne Married Men's society and the Wives' Anti-Lodge club will be getting out resolutions restraining members of the rival organization from picking their fights.

A Louisville man tried to make the Pullman company pay for a big roll of bills that was taken from him in the sleeping-car. The jury failed to reach a verdict, so the man is suing for a tip?

Boston was so hard pressed for oysters, because of the strike, that the employers found it necessary to call in their delivery wagon drivers to haul oysters. It is necessary to add that it wasn't much like the bread money used to bake.

**Extortly Interred.**  
Sunday afternoon, during a severe electrical storm, Miss Caddie King, residing in front of her parents' home in St. Johns under a large maple tree, talking with Mr. and Mrs. King, was struck by lightning and killed. Her body was found lying face down in the yard, the lightning having struck her on the back of her head. Her body was recovered by the coroner's jury and interred in the city cemetery.

**Crime of an American Schooner.**  
The crew of an American schooner is in trouble for fishing for sponges in Cuban waters. Never sponge sponges.

**An Illinois Man Put a Lighted Pipe in His Pocket.**  
Set fire to his clothes, and is now in a hospital. Tobacco is injurious.

**The Man Who, Observing Your Struggle for Independence,**  
Warns you that money doesn't bring happiness, generally has a lot.

of bills that was taken from him in the sleeping-car. The jury failed to reach a verdict, so the man is suing for a tip?

**Boston was so hard pressed for oysters, because of the strike,**  
that the employers found it necessary to call in their delivery wagon drivers to haul oysters. It is necessary to add that it wasn't much like the bread money used to bake.

**If the Louisiana man who declares that Paris green will kill the boll weevil**  
receives the \$50,000 reward offered by the state, he will have to pay the cost of the millions of his fellow citizens who seek themselves. Unfortunately, he has already spent the money.

**The idiot who yells "Hoo!" in a New York City street, and who is only met by a "Hoo!" in New York**  
when a stage-hand falls him and he is carried out unconscious. That stage hand deserves a medal.

**The Collins Trial.**  
With only one-third of the witnesses for the people sworn, the trial of Mrs. Collins in the case of the murder of her husband, George Collins, charged with the murder of her husband, George Collins, has already been adjourned until the next day. The case will not go to the jury until 10 days more, around New Orleans, La. The greatest interest is being taken in the trial. During the first day, the jury was sworn in and an eager crowd gathered in the past few days, however, interest has lagged, for the case is being tried by medical experts.

**The Collins Trial.**  
The Collins trial, which was on the stand and New Orleans people knowing that her testimony was likely to suggest an unfavorable verdict for the state. Mrs. Collins, it is believed, is in the court room.
