ROSEBUD RESERVATION MECCA OF LAND SEEKERS FROM EASTERN CITIES.

The management of the Chicago, Milwaukee & St. Paul Railway is planning to carry between 50,000 and 80,000 people to the Rosebud reservation in South Dakota...

These are the three equal squares, each containing five of the small circles.

Simple Experiments. A very interesting branch of study is vibration. A vibration which is defined as an impulse, but if a series or number of impulses are produced singly and at irregular intervals, very little effect upon anything can be produced.

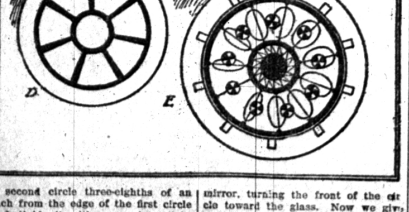

Stubbion Paper Wad. Did you ever see a paper wad that is so stubborn that it will fly in the face of one who tries to compel it to go into the neck of a bottle?

A Tangle Party. A tangle party is a jolly idea for parents. Lengths of ribbon or colored twine are twisted all over the house, and the children are told that if they can find the end of the thread they can have whatever they will find at the end.

Mystifying Card Trick. A simple and mystifying card trick is the will power trick. You let any one shuffle the cards, then take them and your own hand and ask another to shuffle them.

How to Cut Wood Unchanged. Almost every fishing village in Holland has its special drink and its own special customs. One can see from old Dutch pictures that these have not changed for the last 200 years.

Fudge Recipe. A recipe for fudge, the ever fascinating candy which girls love to make, is given as follows: Two cups of white sugar, three tablespoons of cocoa (mix well)...

TOOK HIS CUE FROM SOLOMON.

Illustration of impossibility of dividing cat among family now. An amusing incident occurred recently in the home of a Chicago family.

Depth of Water Has a Great Effect Upon Power Needed in Operation. The recent tests of torpedo boats in the Bay of Biscay have revealed the results in the ascertainment of some facts regarding their navigation not hitherto known.

Tragedies of a Famous Legislature. The New York Legislature of 1831 broke for an incident which is said to return Cook and Platt to the United States Senate, after their resignations over the disagreement with Governor Biddell.

Vast Wealth of Greek Church. The Chief Procurator of Russia, in a report on the state of the Russian Empire, has stated that the power and wealth of the Greek church are immense.

A Study in Nuisances. One little skunk not as large as a rabbit can stink up a thousand sheep and then trot off with its tail over its back.

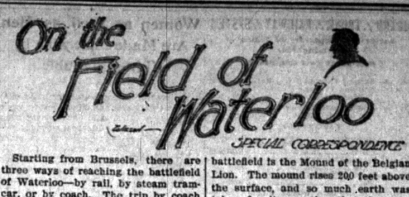

Bones as Sound Conductors. It appears that the human bones are ready conductors of sound, and a knowledge of this character has received practical attention by the employment of the tuning fork to determine the extent and nature of fractures.

Love is the Key. Love is the key. Love is the key. Love is the key. Love is the key.

Tyranny of Chinese Cooks. In California Chinese are considered the most efficient domestics, but they are also the most independent.

Monuments on Field. The brick wall surrounding the latter orchard is still permeated with the same Popoloes through which the British fire mowed down the French.

Desires Cannot Be Cured. It is as impossible as trying to cure a cold by blowing on it, or trying to cure a fever by covering it up.

Waterloo. Starting from Brussels, there are three ways of reaching the battlefield of Waterloo-by rail, by steam coach, or by coach.

Belie Alliance. The yellow gently-waving tops, spread over hundreds of acres, present a wonderfully peaceful, restful sight.

Life of Russian Poor. The Russian poor live in a roomy, one-story house, the walls of which are made of birch bark.

Thought She Couldn't Live. Moravia, N. Y., June 6.-Mr. Benjamin Wilson, a highly respected resident of this place, died last year, leaving his wife and now that she is cured and restored to good health his gratitude knows no bounds.

Many of the unfortunates will return to their old haunts, but the railroads believe that thousands of them will stay in districts near the reservation. The industrial department of the St. Paul system is anxious to care for the disappointed ones by arranging for them to visit other lands.

Frederic A. Miller, general passenger agent of the St. Paul and Northern Pacific, says that he is receiving an average of 400 inquiries a day from all parts of the east and central west, and after the first of next month this average will certainly be at least a thousand.

Nothing will be left undone to care for the great crowds, and every attention will be shown both the lucky and the unlucky ones. We expect that a movement of farmers from the cramped parts of the east, and many of whom are going to South Dakota determined to stay in settlement, whether they get free lands or not.
