Just and Jolly

Qualified.

The young man was applying for a position as drug clerk.

"And you consider yourself competent to stand in a pharmacy?" interrogated the proprietor.

"I should say so," responded the young man. "I can smile at babies, hand out tea almanacs a second, understand the soda-water wink, paste stamps on envelopes, hunt up names in the directory and listen to every one's troubles."

"You'll do! Dust off the tooth brushes."

Proper Resentment.

Archie—I don't see you out with Miss Fluffy any more.

Fweddy—No; I askwed her the other day if she thought she could learn to love me, and she lawfed and said, "Not in a thousand years!" That made me mad, and I said, baw Jove, I wasn't going to waste my time going to see her any more! And I'm not, either, baw Jove!

Agreed at Last.

Amanda—"Do you remember ten years ago, when you confessed your love for me, how cruelly I refused you? I'm older now, and think differently."

Algernon—"Well—er—so do I."

Her Private Opinion.

"No, ma'am," said the hobo who was figuring on a handout, "I ain't no regular tramp. I wuz a sailor t'ree years ergo, but me ship got wreckt an' I was washed ashore."

"And it's a safe bet," retorted the unsympathetic female, "that you ain't been washed since."

Ingratitude.

Uncle Ephr'm was trying to sell his mule.

"No, suh," he said, "dis mewel wouldn' kick nobody. She's puffickly gentle. Ain't got no bad tricks. Any woman kin hitch 'er up an'—whoa, dar, you ongrateful beast! Quit dat cavortin'! Don't you heah how I'se lyin' about you?"

Pot and Kettle.

"That fellow townsman of yours," remarked the New Yorker, "hasn't much idea of table manners."

"No," replied the Chicagoan, "I noticed that. Why, the other day I seen him use the same knife for his pie that he'd used to eat his peas with."

Much Harder.

"It's a very sweet lullaby," said the musician's friend. "I suppose it was pretty hard to compose it."

"Oh, not very," replied the musician; "I can imagine harder things."

"That's so; composing a baby that you sing it to, for instance."

He Must Go.

Mme. Prima—"I must get a divorce."

Mme. Donna—"Why, I thought your husband was such an amiable man."

Mme. Prima—"He is; but he and Fido snore in discord, and I can't stand it!"

No Hair?

"My hair was falling out very fast and I was greatly alarmed. I then tried Ayer's Hair Vigor and my hair stopped falling at once."—Mrs. G. A. McVay, Alexandria, O.

The trouble is your hair does not have life enough. Act promptly. Save your hair. Feed it with Ayer's Hair Vigor. If the gray hairs are beginning to show, Ayer's Hair Vigor will restore color every time. $1.00 a bottle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Fall Patterns in CARPETS Ready Today

Twenty Rolls of Beautiful INGRAINS at 69c and 89c a yard

HERE'S A BIT OF LUCK FOR CARPET PURCHASERS

When everyone else is struggling to close out the old patterns that have been shown all Spring, in comes 20 rolls of the freshest and prettiest Fall Carpets that the store has seen in many a day—the finest Ingrains in the world, too. Ivin, Dietz and Metzger's wonderful two-ply Carpet at 69c a yard, and the Columbian Ingrain, the one that two continents have talked about, because it won the Gold Medal at the Paris and Chicago Expositions.

Everyone knows the regulation two-ply Carpets—how long they will last in active service, etc., but comparatively few people know the peculiar virtures that are embodied in the Columbian Ingrain—the greatest Ingrain in the whole world and which sells at this store for 89c.

Some bright mind, seeing the failure of the overshot three-ply Carpet, originated what is known today as the "Columbian." Only one concern makes these Carpets, their patents are protected by the U. S. Courts of Patents, and no imitation has yet arisen that can act as a successful substitute.

The two-ply Carpet is two threads in thickness; the Columbian is three, the third thread not being simply laid on top as in the three ply, but interwoven, thoroughly binding the entire thickness into a strong, beautiful and nearly wear-proof Carpet. They are being put in some of the best homes in Oakland County. Our own and the maker's guarantee are back of them, and for wear and appearance there is no carpet that we more strongly reccommend. Several very handsome Fall Patterns now ready—89c a yard.

BIRMINGHAM, April 7, 1902

I have painted 25 years. I have watched the brands of paint that I have used in all there years. I started to use Detroit White Lead Works Best Liquid Paint in Milford 21 years ago. I used it right along by the side of the highest priced paints on the market. I will say without reserve that the Detroit White Lead Works Best Liquid Paint is the most durable, beautiful and economical paint I ever used. Sixteen years ago I painted G. Simpson's house in this place two coats with this paint. The building was old and weather beaten. It is in good shape yet and does not chalk off. I painted John Howland's house one coat with the same paint 10 years ago. It's looking fine yet. J. B. CHAPPELL.
