TRUSSES THE RIGHT KIND TO BUY. you can buy Trusses for almost nothing, or you can pay a very high price for them; but the price of a Truss does not prove that it is going to be the Truss which you need. Every case has to be fitted individually. That is why we have our best success with Trusses. No one goes out of our store with a Truss that does not fit perfectly. Therefore a great many people are wearing our Trusses and sending their friends to us for Trusses. If you are wearing a Truss and it does not feel right or stay in the right place come and see us about it. We will tell you whether it is the right Truss for you to wear. E. L. KEYSER, PONTIAC, MICH.
