

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned. Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered Kidneys. A simple test for Kidney Disease is to see aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable

Mr. G. A. Gillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

Had Lumbago and Kidney Trouble

Edward Huss, a well known business man of Trousdale, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."

WORTH MORE THAN THEIR WEIGHT IN GOLD.

Pepsikola Tablets of Priceless Value in Relieving Indigestion.
Health is everything. Many a millionaire would gladly part with half his fortune for perfect digestion. Riches, fame and the realization of every desire cannot create contentment if indigestion is making one's existence miserable. When Whitehead & Mitchell and Cobb tell you that in all their experience they never knew anything so sure to relieve sour stomach, coated tongue, dizzy spells, poor appetite, headache and fatigue due to imperfect digestion, there must be some good reason for their confidence and there is. Dozens of chronic old dyspeptics right here in Birmingham who have despaired of ever getting relief have tried Pepsikola Tablets on Whitehead & Mitchell's and Cobb & Cobb's recommendation and today are your grateful customers. Moreover, druggists could not afford to keep on recommending an indigestion remedy unless it really will cure, for you would rightly soon lose confidence in their word. Pepsikola Tablets are a grand nerve tonic; they will give you new energy and new ambition, improve your appetite, strengthen your digestive organs and unless they give you perfect digestion Whitehead & Mitchell and Cobb & Cobb will gladly pay your quarter back.

New Cure for Cancer.

All surface cancers are now known to be curable by Bucken's Arnica Salve, Jas. Walters, of Duffield, Va., writes: "I had a cancer on my lip for years, that seemed incurable, till Bucken's Arnica Salve healed it, and now it is perfectly well." Guaranteed cure for cuts and burns. 25c at Whitehead & Mitchell, and Cobb & Cobb, druggists.

AT THE THEATRES.

WHITNEY.
The career of the young assassin, Ed and Jack Hiddle, is the theme of which Theodore Kremer's greatest drama, "A Desperate Chance," which comes to the Whitney next Sunday afternoon for a week's engagement is based. Mr. Kremer has succeeded in adapting to the stage the romantic history of these two men. The crime which they were doomed to expiate on the gallows is portrayed, then their prison in the Butler County Jail, where, though condemned murderers, they succeeded in so infatuating the wifed of the warden that, forgetting all considerations of honor and duty, she not only aided them to escape, but accompanied them; and finally their desperate battle with the detective and their capture is portrayed. The facts are not too much distorted in the play, nor do they need to be. The episode ranks as one of the most startling in the annals of crime.

"Gay New York."

A musical comedy, new in this section of the country, but one which has achieved success in the Eastern Cities, will be the offering at the Lyceum for one week, commencing next Sunday evening. While filled with catchy songs, bright snappy jokes, and large ensemble numbers, the piece is said to contain a plot. Briefly sketched, this plot concerns the efforts of a New York business man, who, during the absence of his wife endeavors to find diversion from the daily routine of his life. An exchanged hat and the meeting of his nephew's fiancée involve him in a mesh from which he tries to entangle himself, only to find the strings drawing tighter. In the end his guilty conscience, which is purely imaginative, is relieved and all ends well, though he has many trying moments in the meantime. This little skit offers no well known as Dan Mason portraying the role.

THE DUTY OF ATTRACTIVENESS.

Why Every Woman Should Know Her Best.

The hand that rocks the cradle rules the world, but the woman who is truly beautiful reigns over a larger kingdom than her own family. She is admired and respected by all who know her. Nature intended that every woman should have a beautiful complexion, but intense twentieth century civilization, with its starch, rich foods and unnatural conditions, has done much to rob her of her rightful heritage. The secret of a good complexion is in having rich red blood, an active liver, perfect digestion and a regular, daily action of the bowels. Every woman who craves for a good healthy color in her face, for bright eyes, a ruddy glow, a clear skin and a ruddy complexion should take Laxabola every night until her condition is just what it should be. Laxabola starts the bowels acting, drives out the bile that clouds the complexion, encourages the action of the bowels, and cures chronic constipation by assisting nature to do its own perfect work. If you want the bloom and charm of a clear, healthy skin to Laxabola on Whitehead & Mitchell's and Cobb & Cobb's recommendation and after using a 25 cent bottle you see no improvement the druggist will hand back your money without the least argrment.

NOTHING SUCCEEDS LIKE SUCCESS.

Tells of the Remarkable Success of Pepsikola Tablets in Relieving Indigestion.

After telling all kinds of remedies for dyspepsia and indigestion we can truthfully say that we never knew anything to give such universal satisfaction as Pepsikola Tablets. They not only aid digestion but they act as a grand nerve tonic as well. Many Birmingham people who have not enjoyed a good meal for years now say that after using one of these boxes of these little tablets they feel as if they could eat a horse and digest it too. Whitehead & Mitchell and Cobb & Cobb have been recommending this grand dyspepsia remedy for nearly two years now, and from actual experience know there is no other remedy so sure to relieve sour stomach, bad taste in the mouth, coated tongue, flatulency, indigestion, and other distressing symptoms of indigestion. And Pepsikola Tablets must cure you or there is nothing to pay. They will renew your energy, steady your nerves, improve your appetite, put new life in your stomach, and will do more to tone up and improve your general health than anything you ever heard of.
