Of Lydia E. Pinkham's Vegetable Compound, the Great Woman's Remedy for Woman's Ills.

Yours for Health Lydia E. Pinkham

No other female medicine in the world has received such widespread and unqualified endorsement.

Lydia E. Pinkham's Vegetable Compound.

It will entirely cure the worst forms of Female Complaints, all Ovarian Troubles, Inflammation and Displacement, Falling and Displacement of the Womb, and consequent Spinal Weakness, and is peculiarly adapted to the Change of Life.

It has cured more cases of Backache and Lumbago than any other remedy the world has ever known. It is almost infallible in such cases. It dissolves and expels tumors from the Uterus at an early stage of development.

Irregular, Suppressed or Painful Menstruation, Weakness of the Stomach, Indigestion, Bloating, Flatulency, Nervous Prostration, Headache, General Debility quickly yield to it. Womb troubles, causing pain, weight and backache, instantly relieved and permanently cured by its use.

Under all circumstances it invigorates the female system, and is as harmless as water.

It quickly removes that horrid-down feeling, extreme lassitude, "don't care" and "want-to-be-left-alone" feeling, excitability, irritability, nervousness, Dizziness, Palpitation, sleeplessness, flatulency, melancholy or the "blues" and headaches. These are sure indications of Female Weakness, or some derangement of the Uterus, which this medicine always cures. Kidney Complaints and Backache, of either sex, the Vegetable Compound always cures. Those women who refuse to accept anything else are rewarded a hundred thousand times, for they get what they want—a cure. Sold by Druggists everywhere. Refuse all substitutes.

RETAINED LOYALTY TO SOUTH

Flashing Nets Are Seized. To appreciate the dignity of the net-maker's profession one needs to know the intricacies of the fishing net, and the protection which the law affords.

Great Author's Literary Output. It has been claimed for the elder Dunbar, though it goes open to doubt, that he wrote twenty-three novels in a single year.

Effect of Pest Bounty. Some years ago the government of Jamaica offered a reward for all crocodiles killed or captured.

Good Example of Self-Denial. A convict member of the Utah State Prison Christian Endeavor society is saving his monthly tobacco allowance of 25 cents, and sending it to aid in raising the quarter-centennial memorial fund.

Tea a Perfect Invigorant. Tea when properly made and used before the tannin is extracted is one of the most grateful beverages known.

PET WAS "JONAH" TO VESSEL. The salmon packer McLaughlin arrived from Alaska this morning with hard luck story to tell, having found out when late in the voyage aboard that caused a light catch.

Painful Eruptions From Knees to Feet Seemed Incurable—Cura. Another of those remarkable cures by Cuticura, after doctors and all else had failed, is testified to by Mr. M. J. Moore of Cambridge, Texas.

"She's out of sight," can't be said of the woman in a bathing suit of dress. (From the Chicago Journal, Nov. 6, 1905.)

When Commissioner Garfield went to the Chicago packers and asked permission to inspect their books, the objection was made that no information he might obtain therefrom would be used in court proceedings against them.

Mr. Garfield gave this pledge, it is stated, and the packers allowed him to study their business in all its details from the inside.

Now, it is announced, the results of his study have been turned over to the government department of justice to be employed in legal prosecution of the packers.

Commissioner Garfield would not have ventured to give this pledge, it was demanded by the packers without instructions from Washington.

The Journal has no concern for the packers except in so far as they are guilty of engaging in a conspiracy in restraint of trade, they ought to be punished.

But their guilt, if they are guilty, must be fairly proved. They must be given a square deal.

Since the government has elevated its vision to such a height as to overlook the nest of defiant criminal trusts in New Jersey, almost within the shadow of the capitol dome, in order to fasten justice a thousand miles away upon Chicago, the government and the President cannot be too careful to avoid suspicion that they are more anxious to prosecute western offenders than offenders in the east.

Some of the methods already employed in this case have not been particularly distinguished for decency. When the government breaks into a man's house and steals his private papers, when it drags the wives of packing-house employes into court and puts them under heavy bonds, it is hardly dignified, not to say honorable, nor even respectable.

Height of Sea Waves. Careful experiments made by a noted English navigator along the north coast of Spain show that waves frequently attain a height of 42 feet which is nothing compared to the rise of Pillsbury's Vitos in the estimation of people who like good pure, common-sense wheat food. You will like it. Ask for it at your grocers.

Ask Your Druggist for Allen's Foot-Ease. It cured ALLEN'S FOOT-EASE recently by some just out another supply. It has cured my corns, and the hot, burning and itching sensation in my feet which was almost unbearable, and would not be with out it now.—Mrs. W. J. Walker, Camden, N. J. Sold by all Druggists, 25c.

WISER MAN KNEW HIS BUSINESS

Relied on Superstition to Stir Contentment. In Calcutta recently a box containing money and valuable papers was stolen from a large business establishment.

Clever Appeal to Nature. Some years ago in a large and richly stocked nursery in Belgium, chaper were becoming so numerous as to be a very serious pest.

Without His Stamp. A newly made English peer was extremely annoyed in Belgium, chaper being so crowded on nearly every object belonging to him.

Nation's Timekeeper. Americans get their correct time from a little room in the naval observatory on Georgetown Island.

Gambiers' Easily Broken Vow. A story told of "Ben" Brummell is admirably illustrative of the grip which the gambling fever has over its victims.

Exercise the Way to Do It. Feed yourself on simple fare. Rest in the open air. Sleep just as you like.

Not a Matchmaker. Cardinal Manning once told the following story of his friend, Bishop Bramstone, who seems to have been as well as an eminent ecclesiastic.

Mixed Dates. Four-year-old Sarah had two uncles living out of town who were "uncle" to be married.

Don't Forget. Remember you have two ears, but only one tongue—the moral is obvious: talk less; listen more.

"It Has Cured More Cases Than All Others Put Together"

"We have never run onto an article that met with the success of Mull's Grape Tonic. It has cured more cases of constipation and stomach trouble to our certain knowledge, than all other remedies that we ever sold together."

"Mull's Grape Tonic must possess some peculiar quality that no other constipation and stomach remedy has. And all who use it say that it adds to the strength and general health and makes them feel better in every way. We all know that ordinary physics and cathartics have exactly the opposite effect—they have a weakening tendency. They leave the digestive system in worse shape to overcome the trouble than it was before."

"Mull's Grape Tonic is a pleasant, natural, harmless, effective remedy that does the work and does it well, and the people have found it out." WOLFF & WILSON DRUG CO.

There are very strong words coming from a regular customer, who writes: "I have used this a grand remedy, and I would not wonder when there is a present, having a positive conviction that it will do the work."
