I ness excellent Coats nave a nost or triends.

I ney are nanusome, serviceable and handsomely tailored, combining that rare element of grace and up-to-dateness.

Because of the great care that must be taken in the shaping, strapping and stitching they are the most difficult Coat to make right. They are also the most popular. For business wear, shopping or walking no coat has yet been designed that is their equal.

This first choice collection, each a perfect little gem of good looks, will certainly
