Dilution Separators. The cans known as dilution separators should not be purchased by the farmers...

This points the climax to a little incident that occurred at the dilution separator which occurred at the dilution separator...

The Modern Silo.

The old-fashioned silo was in part a failure, as at first men did not understand the cause...

Smile Gave Him Away.

Gabriel was troubled with visitors and of those he desired never to see again he suspended photos in his servants' room for fun.

Nourishment for Invalids.

In a long continued sickness the strength must be kept up by sufficient nourishment and it is of the utmost importance to give food which is digestible, palatable, of the right quantity, and furthermore, this food should be administered at the right time.

Ingrowing Toe-Nails.

These generally arise from tight-fitting boots or shoes. It is a good plan to cut a V-shaped piece out of the nail and to scrape the upper surface as thin as possible.

Removal Unsightly Stains.

Almost any stick substance can be removed from soft dress material by rubbing with slightly diluted alcohol.

Big Rainbow Trout.

A rainbow trout weighing more than nine pounds has been caught in England. A record catch last year was a sixteen-pound river trout caught in the Test at Romsey.

For Coughs and Colds. There is a remedy over sixty years old—Ayer's Cherry Pectoral. Of course you have heard of it, probably have used it. Once in the family, it stays; the one household remedy for coughs and hard colds on the chest. Ask your doctor about it. Small Egg-Producing Infertile. Contrary to general impression, the fewer eggs a hen lays the more are they likely to be infertile, if we can judge anything from experiments tried on at the Maine station. There an attempt was made to breed down in egg yield as well as upward. The experimenters were surprised at finding an unlooked for obstacle, namely, the infertility of the eggs from hens producing the fewest.
