

Apple Pie. When your cook makes a pie, you ought to see it made. She'll fill it with a pie-plant. Down through the middle of the stuff...

Fun With a Comb. Every boy and girl using a comb to smooth out their tangled locks on cold mornings has heard and wondered at the electricity that crackles as the comb passes through the hair.

Minko. Minko is a game played by the Japanese boys. Two boys play it; one throws a red disk far and wide on the ground, and the other tries to strike it.

The Bella of Japan. One of the sweetest of them rings out many times every day into the waiting air. In a far-away little city, there is intense thrilling and pathetic.

Witch Fortune Party. Boys and girls may find much amusement at a witch fortune telling party, such as is described here. The boy or girl through whom the "all-wise" witch speaks takes his or her place behind a curtain, as is shown in the accompanying picture.

Up-Helly-A. Up-Helly-A! one of the few ancient British customs which survives, is kept as a carnival by the Shetland Isles at the end of January, at Lerwick. Thirty squads of from six to twenty persons each are formed, and a very squad has a distinctive fancy dress.

A Trick With Water. If a drop of water is let fall on a piece of paper, it spreads in a large circle. If, however, the paper has been oiled, or covered with lamp-glass or some similar substance, the drop of water will roll upon it as a ball slightly flattened.

each of the cork pellets is a little higher than it is on the rest of the surface. In its efforts to equalize its level, the water draws the two pellets together.

Flower Emblems. Fleur-de-lis... France. Violet... Athens. Shamrock... Ireland. Sugar Maple... Canada. Linden... Prussia. Magnolia... England. Sacred Lotus of Nile... Egypt. Lily... Italy. Cornflower... Germany. Leek... Wales. Thistle... Scotland.

Dare Base. Dare Base is a tag game. At each end of the yard is a goal. Midway between the goals is a line which is dare base. A child or catcher is at each end of the dare base.

Man-Eating Tiger Soared. One day while two brothers were cutting bamboo near a village in India a man-eating tiger sprang out of the jungle on one of them, knocked him down and was about to carry him off when the other flung himself on the brute's back and shouted at the top of his voice.

Cultivating Poisonous Plants. The obehman is well versed in all the vegetable poisons of the island. He is a native of the mountains, a native of the valleys, a native of the plains.

Witch Fortune Party (continued). Then John turns his face toward the curtain, and the witch's eyes, a small round hole has been cut, so that he may see all that transpires in the parlor. After the guests have assembled, the witch's hands are held up.

Witch Fortune Party (continued). The witch's hands are held up, and she is seen to be making her predictions. The witch's hands are held up, and she is seen to be making her predictions.

The Brotherhood of Ob. In Jamaica, the most beautiful of the West Indian islands, there are legends beneath the smiling exterior of things a volcano of dark superstition and savage fanaticism which occasionally becomes active with deadly results.

Whole Family Poisoned. One of the most noted men of Jamaica, Judge Joseph Harburt, in sentencing to death an obehman convicted of poisoning an entire family recently said: "It is my belief that a special statute should be put into effect against this baneful practice. I do not doubt that this obehman is as dangerous as any criminal at large today."

SKIN BOATS MOST ANCIENT. Primitive Craft Made of Hides Are Still Used in Egypt. "Babylonian and Egyptian sculptures show goat and cow skins roughly made into boat shape and used for rivercraft. It is likely that this is the oldest and most primitive form of vessel in the world."

Negro Huts. The island. He had a large collection of jewelry and watches, all given him by the natives in payment for obehments and poisons. Equally dreaded with the obehments are the "Mia" people, or the "Mia" people, or the "Mia" people.

NO TONGUE CAN TELL. How I Suffered with Itching and Bleeding Eczema Until Cured by Cuticura. "No tongue can tell how I suffered for five years with a terribly painful, itching, and bleeding eczema, my body and face being covered with it."

Alabaster Your Walls. Just ask the doctor if there isn't danger of disease in your walls. Make him tell you. There is only one perfectly sanitary and hygienic wall covering. That is Alabaster—made from Alabaster rock—then colored with beautiful pigments.

Alabaster Your Walls (continued). Alabaster is clean, because it is made from pure rock—Alabaster rock and pure water. It is made on with your paste nor smelly glues. When your walls need covering, you don't need to wash them down. It is the most beautiful and durable of all wall coverings.

Dyspeptic Pills. A nine years victim finds a remedy that cures. "All sufferers from weakness or disorders of the digestive organs should read with lively interest the story of the complete recovery of Mrs. Nettie Darvoux from chronic dyspepsia which she had suffered from for nine years."

Bees Farming in Australia. Bee farming has become a popular and profitable occupation in many parts of the Australian continent. The first "hive" bees were brought to Australia from England in 1822.

THOUGHT SHE WOULD DIE. American Coal Production. The United States produces 213,000,000 metric tons of coal a year, worth at the mines \$485,000,000 and costing consumers nearly a billion dollars.
