

"IT SAVED MY LIFE"

PRaise for a Famous Medicine

Mrs. Willadsen Tells How She Tried Lydia E. Pinkham's Vegetable Compound In Time.

Mrs. T. C. Willadsen, of Manning, Iowa, writes to Mrs. Pinkham:

"Dear Mrs. Pinkham—
I can truly say that you have saved my life. I cannot express my gratitude to you in words.

"Before I wrote to you, telling you how I felt, I had doctored for over two years; steady and expert lots of money on medicine being paid, but I failed to help me. My monthly pain had come and I suffered with pain, with fainting spells, headache, backache and sleeping-down pains, and I could hardly keep around. As a last resort I bought your famous medicine, Lydia E. Pinkham's Vegetable Compound, and after taking it I felt better. I had a good night's sleep, and I felt like a new woman. I had a good night's sleep, and I felt like a new woman. I had a good night's sleep, and I felt like a new woman.

"When women are troubled with irregular or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the uterus, that bearing-down feeling, inflammation of the ovaries, backache, flatulence, general debility, indigestion and nervous prostration, they should remember there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound, which removes such troubles.

"Another female medicine in the world has received such widespread and unqualified endorsement. Refuse all substitutes.

"Mrs. Pinkham invites all sick women to write her for advice. Address, Lynn, Mass.

"Escapes Milk Inspector.
"He is one of the most awful men we have to deal with," said a sanitary inspector in a London police court of a milkman, who was fined. "I remember on one occasion I met his sister carrying some milk, and as she saw me she fell on her back and upset the whole of the milk in the street."

"Some men lose flesh just by shaving."

MOST PROFITABLE FARM INVESTMENT.

This is what the Cream Separator has proved to be. Twenty years of experience upon the part of hundreds of thousands of users in every country of the world bear witness to its worth.

None disputes it. This never was a better time to purchase a separator. It is the most profitable farm investment of the present. Butter is unprecedentedly high in price. It is most desirable that none be left behind, and that the quality be such as to command top price.

If you have cream to separate you cannot afford to delay this investment a single day. If you have the ready cash the machine will earn its cost while you are paying for it.

police, the young officer of his boyish jealousy. He told of Marjot, and Feuchack, and the persons connected with his life.

Rose listened intently, her face reflecting the feelings and emotions aroused by LaFitte's story, and, more than once, a mist of tears dimmed the violet eyes, perhaps a moment before filled with indignation.

He said little in regard to his life with Laro, but told fully of the meeting with Greloire, at Martinique, which had crossed his better self.

At this, a small hand stole from its fellow's clasps, and was held out to him. He took it, and pressed his lips to the soft fingers. Then, after releasing it gently, he went on.

He told of his visit to Elba, of the interview with Napoleon, of the vengeance he had made, and his efforts to fulfill it; of his temporary loss of resolution after the descent upon Barataria, and of his full renewal at Pierre's death.

As he described that scene in the month coil, her tears flowed freely, and at such of them strange smiles dimmed LaFitte's lips.

"Ah, my Pierre," he murmured, "had I known that my death would be the cause of your life, I would have died a hundred times over."

"Lifting her eyes to his, she saw such an impressive solemnity in their dark depths that something impelled her to speak. She said, in a low, obedient chin, "Yes, Captain Jean, I will come with you."

"As the man and girl took their way side by side, they appeared in the doorway. Her eyes blazed, and her face was pale as death.

"You don't know me now, little Rose," he said, "but I wish to see you before I depart forever from Louisiana."

FAIR CAMPBELL WISHED TO REMAIN QUIET FOR FIVE MINUTES.

The beautiful girl in the parlor scene was strange and weird.

"Ethel, dear," queried the young man on the other end of the sofa, his voice quivering with tremulous pathos, "have I offended you?"

"The maiden fair shook her head, but uttered never a word.

"Then," he continued, "why don't you speak? I haven't uttered a word for nearly three minutes."

"Still more silence on the part of the lady, the maiden fair, and the young man gazed at her in amazement.

"Oh, George," she exclaimed, as her blue-argued uniform pompas and his white-argued uniform pompas, and his white-argued uniform pompas.

"I have suffered for years with biliousness, and kidney and liver trouble."

"I caught a little cold, the pains were increased and backache and headache were of frequent occurrence."

"However, Peruna cured me—twelve bottles made me a healthy woman."

A JUDGE'S WIFE PAIR IN THE BACK AND SIDE

Quickly Cured by a Short Course of Pe-ru-na.

MRS. MINNIE McALLISTER, wife of Judge McAllister, writes from 217 West 3rd Street, Minneapolis, Minn., as follows:

"I suffered for years with a pain in the small of my back and right side, and interfered often with my domestic and social duties and I never supposed that would be cured, as the doctor's medicine did not seem to help me any."

"Fortunately a number of our Order advised me to try Peruna, and gave me such high praise that I decided to try it. Although I started in with little faith, I felt so much better in a week that I felt encouraged."

"I was finally cured in seven weeks and am happy enough to be able to say that I am entirely cured."

"Perfect health once more is the best thing I could wish for, and thanks to Peruna, enjoy that now."

"Pain in the back, on the right side. How often a physician hears such complaints! Over and over we hear women say: 'I have a pain in the small of my back. I have a pain in my right side. Just below the ribs.'"

"These symptoms indicate pelvic or abdominal trouble. They indicate that the bowels are not acting properly, that the pelvic organs are out of order—that the pelvic organs are congested."

"Peruna cures pelvic catarrh, when all of these symptoms disappear. At any rate, it is one of those cases of internal catarrh which can be reached only by a course of treatment with Peruna."

"We have on file thousands of testimonials similar to the above. It is impossible here to give our readers more than one or two specimens of the numerous great and commendatory letters Dr. Hartman is constantly receiving in behalf of his famous catarrh remedy, Peruna."
