TRUSSES THE RIGHT KIND TO BUY. you can buy Trusses for almost nothing, or you can pay a very high price for them; but the price of a Truss does not prove that it is going to be the Truss which you need. Every case has to be fitted individually. That is where we have our big success with Trusses. No one goes out of our store with a Truss that does not fit perfectly. There are a great many people are wearing our Trusses and sending their friends to us for Trusses. If you are wearing a Truss and it does not feel right or stay in the right place come in and see us about it. We will tell you whether it is the right Truss for you to wear.

YOUR KIDNEYS ARE THEY WELL? Unless they are, good health is impossible. Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.
