

Wuzzy Land. Boy, list a bit of warning from me... The little deers no more...

Oh, they say the lights are rare... And they blink you out... But I'm sure you wouldn't care...

Smoke That Will Burn. Not so very long ago, before matches were quite so common as they are now...

Whenever you are in a temper, look in the mirror and see if you look like this.

Initial Letter Puzzle. In the eleven sentences below appear as many words (one word for each sentence) which, if found and written one below the other, their initials will spell the full name of a man who figured prominently in the American revolution...

A Canine Hero. There may be handsomer dogs than Don, but there surely are no braver. Don is a hero and he wears the storm of his armor about his neck...

Fun with a Candle. Grow people as well as children will get a great deal of pleasure out of the following tricks:

Lighting the Bottled Smoke. As you see the smoke streaming out, place the upper end, and it will be forced back and will issue out of the lower, charred end without any further aid...

ODD WAYS OF HEARING. Here are some interesting experiments made with the sense of hearing.

Testing the Ears Blindfolded. You may hold the coins over his head or before his face, and if his hearing is good in both ears and the coins are at the same distance from each ear each time, he will not be able to tell the difference in the position.

Testing the Ears Blindfolded. You may hold the coins over his head or before his face, and if his hearing is good in both ears and the coins are at the same distance from each ear each time, he will not be able to tell the difference in the position.
