When your heels hit hard and your head feels queer,
And your thoughts rise up like foam on beer;
When your legs are weak and your voice is strong,
And you laugh like—well, at some fool song.
You're drunk, my boy, you're drunk.

The W. F. M. society of the M. E. church will meet with Mrs. Frank Schlaack at 2:30 July 5.

Sunday evening service during July and August will be discontinued at the St. James church.

Rev. D. W. Thornberry is attending commencement at Gambier this week, where he will meet many of his old seminary men.

Contrary to previous announcement there will be no service at the Troy U. P. church next Sabbath, July 2, except the C. U. meeting at 7:30.

Miss Zilpha Campbell leaves tomorrow by boat for Alpena to spend a part of the summer with her brother, Dr. D. W. Campbell, and family.

Miss Lou McDougal has lost her terrier Spot. The dog has been gone over a week, and if you want to make a sad heart happy, send Spot home.

The W. M. S. of the Presbyterian church will meet with Mrs. Porter on Thursday July 6, instead of Wednesday as usual. Subject: "Home Missions."

Miss Belle Ward will pass the summer with her aunt, Mrs. S. W. Sinclair, at Chicago, and no doubt time will fly all too fast for this happy young lady.

Sarah J. La Lour will meet with the ladies of Mary D. hive on Saturday evening, July 1, to talk important business. May there be a large membership present.

Mrs. M. Smith enjoyed a picnic at Isle Belle Wednesday, a guest of the Improvement socitey. The old lady enjoyed the trip hugely and saw the result of many changes since her last visit a few years ago.

The State Medical Association is in session at Petoskey this week, and Dr. C. M. Raynale is in attendance as an Oakland county delegate. It goes without saying that Oakland county is well represented.

The ladies of St. James Episcopal Church Guild will serve ice cream and cake on the lawn adjoining the Exchange Bank, Saturday (tomorrow) night. Everybody invited to come and enjoy themselves.

The Ladies' Aid of the M. E. church will meet with Mrs. Seeley Peck, Friday afternoon, July 7 This means another one of those dainty suppers, and we predict a large turnout for Mrs. Peck.

Daniel Cavanagh is the first victim working on the new block. One of those big brick building blocks fell from above down to Daniel, striking on the whirlbone joint. He is resting up now and walks with pain and great difficulty.

A most interesting and sensible article by "A Mother," appears in another column. Every young man and every young lady should read it, ponder over it, and then follow Mother's advice. You cannot go wrong if you do so.

Whitehead & Mitchell have a nice line of Chase & Sanborn's coffee. If you are the least bit "finicky" on the taste of your coffee, and are looking for a good thing, call for a dound of Chase & Sanborn's from 17c to 40c.

The Exchange Bank opens at 8:00 a. m. and closes at 4:00 p. m. standard time. Don't forget this and when you're expecting to get in to do business at 2:00 o'clock in the morning, don't be disgruntled if the door is locked.

Well, we were more than pleased to shake Carghill Young by the hand again after several years absence in Colorado and Denver where he is doing well. He will soon return to the West as his health is much better there.

Parks & Carter have just finished giving Geo. Purdy's pleasant home in this village a double coat of Detroit White Lead Works best paint. The job is entirely satisfactory to the owner, both in labor and quality of paint. It certainly does look fine.

Miss Carrie E. Mitchell is home from Kirksville, Mo. She is delighted with her chosen work, and has a return ticket in her pocketbook to be used September next. Miss Grace Smith is also at her home near Union City resting up.

Hi! There! You farmer man! Don't forget that E. R. Smith & Co. will be closed up all day long next Tuesday which is the glorious 4th of July. Don't come to see them, for they will be closed up tight. Ditto Exchange Bank so A. Whitehead announces.

The Women's Auxiliary of the St. James church, during July and August, will hold meetings every two weeks in the basement of the church. The next meeting will be held July 6. The ladies are working for a fair which will be held some time in the early winter.

Investment of $1,500.00 would secure a business near Birmingham which has netted profit of over $1,000.00. It's worth your investigation. Expense about $5.00 per week. Sales amounted to about $20 00 per day last year. Ask Whitehead at the Exchange Bank.

Something you seldom ever see can be seen in the big block excavation now going on. Three generations are represented in the Allen family, all working. Mr. Frank Allen, his son John Allen, and John's son Harry. We doubt if this condition of labor is ever equalled.

Stanley Webber is taking a vacation trip down the St. Lawrence, through the Thousand Islands. Will make a short stay at Niagara Falls, on his return. He is accompanied by a half dozen of his old high school companions, of Detroit, and expects to be gone about two weeks.

Chas. H. Schlaack, wife and family all returned from the far west, arriving in Birmingham on Saturday last. Mr. Schlaack has been almost constantly ill ever since he left here, and we think that per haps Birmingham certainly looked good to the tired and weary travelers.

It is expected that Miss Emma Dean Anderson, of India, one of the speakers at the Women's Missionary Society convention at Detroit this week, will speak at the U. P. church at 3:00 o'clock next Sabbath afternoon. If she cannot come, Rev. J. C. Pinkerton, pastor of the U. P. church, Detroit, will speak. All are invited.

Bert Gravelin, with Thos. Cook as first lieutenant, has been painting Mr. Cook's home in this village a double coat of the celebrated Hammar Paint sold by Whitehead & Mitchell at $1.00 per gallon. This paint is guaranteed by a company 20 years old, backed by a capital of $500,000. What more can you ask for at one dollar per gallon?

Miss Mattie Baldwin left town without saying "Good Bye," and our heart is broken over her seeming neglect. However, we understand that she is at Portland, Oregon, and is Michigan's delegate to the National Federation of Clubs. Well, we trust the good lady will have the trip of her life, and return to us safe, sound and happy.

David A. Hagerman of Houston, Texas, is among his relatives and friends for a visit after many years absence in the far south. He is looking fine and has grown quite stout, proving that the Sunny South is all right for a good man. Mrs. David Hagerman is also along and both are having a fine visit among the Wolverines.

For some time there has been a contest in the B. Y. P. U. between the whites and greens. In this important struggle the greens have been successful, and this Friday evening the banquet is given at the home of Miss Alice Crary by the white-ribboners. An interesting program has been provided. There is no charge and the Baptist congregation is invited.

Prof. and Mrs. A. E. Bellis left Saturday for Ann Arbor where Mr. Bellis will take up summer school work. Under his proficient management we predict that next year our school will do even better than the year just passed. During his absence Mr. West will occupy his home, and we think Mr. Bellis and Mr. West are both to be congratulated.

No, dear reader, Miss Mattie Baldwin did not leave town because of the cutting down of the four big maples in front of the new Johnston & Shaw Block, but no doubt she felt bad enough to do so, as well as ourselves. But like all others she knows that our village will have to expand to the cost of shade trees or anything else that stands in the way of advancement.

At the Methodist church, Sunday, July 2, 1905, morning subject, "Our Father's voice." Mr. Walter E Mahle, who is a student of Central University, Missouri, and a member of the University Quartette, will render a tenor solo. Evening service 7:30 standard. Sermon subject, "A Feast of love or no Feast." Mrs. Brown and Mrs. Bird will sing a duet. Come.

A lamp post has been removed from the corner of Maple avenue and Bates street and the hole left in the ground. Some man will go along there some night and put his foot in it. Then he'll get mad and pull the hole up and just like as not it will be found next morning on the council room steps, where the city dads can take care of their dangerous property.

J. H. Remick of Detroit settled with Justice Campbell on Tuesday last for jumping some of the high spots in the roadbed when he went through town in his auto one day last week. Marshal Bray politely informed Mr. Remick regarding the village ordinance, and as the gentleman was due in New York Wednesday he was permitted to settle by check—$16.00 worth.

The payroll of Drs. Johnston and Shaw must be a lulu judging from the number of men at work in the big hole in the ground. We counted 20 men on the job. The cellar is nearly excavated and the brick wall is being laid. The foundation is of the large building blocks from the Daniels brick and tile yard, and this block when completed will be the handsomest and most modern in Oakland county.

Wes Faint took dinner with Fred Warner at Cassopolis one day last week. Cass county was giving its annual Pioneer Meet and Gov. Warner had a big cheese on tap and holding a reception. The only chance that these two gentlemen had to converse alone, was during a private interval of a few moments. Wes says the colored man was present and thousands of them eligible for a position as Uncle Tom in any traveling troupe throughout all Israel.

Over 100 members of Wayne Chapter, No. 136, O. E. S., Detroit, swarmed out to this burg Friday on the trolley line by a special car by invitation of Mrs. Charles Todd of Koal Kabin Farm fame. The Worthy Matron of the Detroit Chapter is Mrs. Carson, sister of Mrs. Todd, hence all visitors were at home at once. Two immense hay racks took the whole bunch from car to farm. A chicken pie supper was served, after which "dancing on the old barn floor" was the order of the night. A colored orchestra from the city furnished the music and two-steps, waltzes, with an occasional square dance, pleased all and everybody. You can imagine how packed in solid like sardines, was this crowd in two lumber wagons with a hayrack attachment. The ride was the fun of a lifetime and the Stars all shone heir brightest.

AFTER MANY YEARS.

Thirty-one years ago Mr. Alva Killman attended school here and it was during Prof. Z. C. Spencer's reign. Last week Friday he could not stay away longer and made us a visit with his wife and a friend, Mr. Pound, who was accompanied by Mrs. Pound. The quartette had come over from Ann Arbor where each couple had a son graduate from the U. of M., Mr. Killman's son from the Law Dept. and Mr. Pound's from the Scientific course.

Although nearly one-third of a century had passed, still Mr. Killman was promptly remembered and recognized by both Whitehead and Mitchell. The school-ground was visited, Lovers' Lane had a call, and the village generally "took in." The happy quartette departed, thinking Birmingham a pretty little hamlet and will have pleasant remembrances of our own Piety Hill.

Our old friend is one of the heavy, solid, financial men of his home town, Crystal Beach, about 10 miles west of Buffalo, in Ontario. A fortunate investment in natural gas, the company of which Mr. Killman is the head push, brings in a generous amount of the "long green" each month that brings the "smile that won't come off." Here's more success to the whole four of yez.

THE ALUMNI OF THE B. H. S.

The new members of the Alumni, class of '05, added to the roll are as follows: Hazel M. Carter, Lucille Hunt, Retta M. McHugh, Clarence J. West, Grace A. Purdy, Mamie E. Wilson.

The Song of the Hair

There are four verses. Verse 1. Ayer's Hair Vigor makes the hair grow. Verse 2. Ayer's Hair Vigor stops falling hair. Verse 3. Ayer's Hair Vigor cures dandruff. Verse 4. Ayer's Hair Vigor always restores color to gray hair. The chorus is sung by millions.

"Before using Ayer's Hair Vigor I had very thin and very poor hair. But I continued to use the Vigor until my hair greatly improved in every way. I have used it off and on for the past ten years."—Mrs. M. DRUMMOND, Newark, N. J.

Dying of Famine

is, in its torments, like dying of consumption. The progress of consumption, from the beginning to the very end, is a long torture, both to victim and friends. "When I had consumption in its first stage," writes Wm. Myers, of Gearfoss, Del., "after trying different medicines and a good doctor, in vain, I at last took Dr. King's New Discovery, which quickly and perfectly cured me." Prompt relief and sure cure for coughs, colds, sore throat, bronchitis, etc. Positively prevent pneumonia. Guaranteed at Whitehead & Mitchell's and Cobb & Cobb's drug stores, price 50c and $1.000 a bottle. Trial bottle free.

LOOKS TWENTY YEARS YOUNGER

How a Birmingham Woman Shook Off the Hand of Time and Is Young Again.

"We don't need to speak her name," said Whitehead & Mitchell and Cobb & Cobb last week, "for you'll know who we mean when you next see her. Why, we never saw a woman's appearance so be changed and improved. Her complexion is now as fresh and beautiful as a young girl's, her step is elastic and her eye has the snap and sparkle that goes with perfect health. And we are partly responsible for it,' continued the druggists, "for we recommended what transformed her from a woman of forty to a girl of twenty. What is it? Well, it is Dr. Davis' famous prescription, Laxakola Tonic Tablets, and when we heard of it we immediately ordered a large supply. And the way they tone up the system, clear the complexion and rejuvenate the whole body is surprising. They are a gentle laxative, promoting an easy, natural action of the bowels and carrying off all waste matter that may instead of letting the poison come through the skin. There isn't a woman in town who can afford to be without Laxakola Tonic Tablets, for they cost only 25 cents a box, and if they don't do all that is claimed we pay her money back."

"A SQUARE DEAL."

How President Roosevelt's Motto Is Illustrated by Pepsikola.

Whitehead & Mitchell and Cobb & Cobb say Pepsikola Tablets is the best possible illustration of what our strenuous President means by a square deal. This remarkable remedy is sold to everybody with the express agreement that if it does not do exactly as represented the buyer's money will be cheerfully refunded. They are guaranteed to quickly relieve and permanently cure all stomach troubles, tone up the whole system, give new life and vigor, better courage, more vitality, and bring the weak, weary and despondent back to joyous health.

If they do not cure you of heartburn, sour stomach, loss of appetite, dizziness, headache, lassitude, and all other unpleasant conditions arising from indigestion, all you have to do is to step into any of the above drug stores and they will pay your money back.

The price is only 25c if they cure. If they fail the cost is nothing. But they won't fail. They will tell you that dozens of people you know have been benefited and cured of indigestion and dyspepsia by Pepsikola Tablets, and they will give you a "square deal." No cure, no pay.

July 4th.
