Golden knocked with the head of his revolver

"King Schiller seemed to revel in the pain and torture that he was making Huntington undergo, and he brushy refused the roquest of the girl. As I understand the case, Schiller as were asked the girl to be lead to frame the laws, that a woman once within the walls of our city has an equal right with the man to say whether she wife voluntarily. Schiller attempted to carry out his threat. The case speakers and addressed me as a medding upsirt, heaping curses of a most horrible nature upon my head! I was entaged at his gross willainy and struck him.

"I realized my mistake the minned and the carry of the start of the search of the service of the search of

well give me a chance and that's all it want?"

"You are right," returned Golden. "Hall!" cried Golden to the marge of the 'old people the circumstance are pathetic, and many "cen enforce the law, and I will! and if you are as handy in a fight with run as you are with beasts, to morrow, no matter if you are condensed to the condent, you may be a free man. Let us on to the city."

The City of Farastics, as Golden morlows, but the properties of the condense of

"The main has been condemned to death by the king. It is my duty to arrest him."

The party was now standing upon a high-bluff, looking down upon the city, which was spread out before them. Lang, for a moment was be-wildered at what he saw. The town was laid out in a circle. The house, wildered at what he saw. The town was laid out in a circle. The house, was laid out in a circle. The house, and the correct of the a single correct of the same control of the correct of the same circle was a single correct of the same circle was a single correct of the same circle was a circle was a same circle was a constant of the correct of the same circle was a same circle was a same circle was a massive building, in comparison with the others, at least fifty feet high, with plenty of windows, through which light streamed. Nearby also were three other buildings of large dimensions, which were comparatively darked and deserted. There were bridges spanned the canyon which completely split the city in twain.

The well-lit building was the general assembly hall. In this building were conducted all the important to-city events. Off to one side. Languard was a same conducted all the important to-city events. Off to one side. Languard was a same conducted all the important to-city events. Off to one side. Languard was a same conducted as the haunded cottage. Right in front of it, in bold outline, was the palace of the house which he recognized as the house which he recognized as a well keep the grant of the woods.

The trio were surrounded by an arimed gnard, several of whom at the seeming order of the person who had been conversing with Colden, laid on treating and teammand you to Pakee this man of the conduction.

"What does no co with your has been sentenced to life imprisonment in the mines and tried to escape!"
"At my request he returns to Paridise," said Golden.
"Why don't you disarm him?" was the sentine's question, as the gates were closed behind the three friends. "He is carrying Lang's gun. I consider him harmless."

able by death to disobey the of the king."

FOLK-LORE OF THE ESKIMO.

that some is actually in love with that some is actually in love with that some is actually in love with that power must be taken away. The power must be taken away is a standard to the standard that power must be taken away is a standard to the standard that power must be taken away is a standard to not right that he possess it." Then that power must be taken away is a standard to the standard that had been made on his own life. "It is may be your turn next, for that reason it should be in that the standard that the same and it is a standard to the same and it is a standard to the same and the s curing disease and restoring health and vigor.

Marvelous curse are reported from all parts of the country by women who have been cured, trained nurses who have been cured, trained nurses who have recognized the virtue of Lydia E. Pinkham's Vegetable Compound, and are fair enough to give credit whereit is due, to be frank and open, hundreds of them would acknowledge that they constantly prescribe Lydia E. Pinkham's Vegetable Compound in severe eases of female Ills, as they know by experience it can be reing lefter proves it.
