Edna reached down into an obscure pocket somewhere and fished out the ring. I held it up to the light and examined it closely. "The same." I muttered ungallantly, heaving an audibition of the light of relief. I saw Edna's face flush. This bit had told, and I decided to change the subject before the tables could be reversed.

"The subject before the tables could be reversed." I demand how the could be reversed.

"Because," which you mind the change the could be reversed." "Because," whe replied very oblight and clearly, "you are getting \$b\$ as week selling fibbons at Ketchum & Holdum's, and I don't see any properts of your securing a rise unless you become an aeronaut."
