A Year of Blood.

The year 1903 will long be remembered in the home of F. N. Tackett, of Alliance, Ky., as a year in which he suffered so copiously from Mr. Tackett's lungs that died seemed very near. He was severely bleeding from the lungs and a frightful cough had brought me to death's door, when I began taking Dr. King's New Discovery for Consumption, with the astonishing result that after taking four bottles I was completely restored, and as time has proven, permanently cured. Guaranteed for severe coughs, colds, and at Whitcomb & Mitchell's, and Cobb & Cobb's drug stores. Price 50c and \$1. Trial bottle free.

STRICTURE AND KIDNEY DISEASE CURED.

"I had stricture for eleven years. It finally brought on Bright's Disease of the Kidneys. I had an unaccountable shooting pain in the groin and feeling as though something was in the urethra. My back was weak and I could scarcely stoop over. Urine was full of sediment. Had a desire to urinate frequently. Family doctor, several specialists, patent medicines, electric bath, all failed. I was discouraged. I had spent hundreds of dollars in vain. Finally I consulted Dr. Kennedy & Kergan as the last resort. I had heard a great deal about them, and concluded from the fact that they had been established over 25 years that they understood their business. I am delighted with the results. In one week I gained sixteen pounds in a few weeks was entirely cured. Have gained sixteen pounds in weight."—W. C. WELCH, Lansing.
