STEMINGHAM, FRIDAY, NOV Y.

An Up-to-Date Nevy.

United States naval officers do not admit that the monater battleables planned by Great British and Haly are necessarily more officer than warnings of the Connecticut-Louisians, and the Michigan-Good Carolina types. Our Coal Supply.

Occasionally fears are expressed and tiff coal supply of the United States will give out. This apprehension is entertained because this country, while surpassing sultrathers in production, is also the greatest real consumer in the world. But every now and there consists the automorement of a new discovery which shows that, the limit has not yet here restored. A
