

Most people know that if they have been sick they need Scott's Emulsion to bring back health and strength.

But the strongest point about Scott's Emulsion is that you don't have to be sick to get results from it.

It keeps up the athlete's strength, puts fat on thin people, makes a fretful baby happy, brings color to a pale girl's cheeks, and prevents coughs, colds and consumption.

Food in concentrated form for sick and well, young and old, rich and poor.

And it contains no drugs and no alcohol.

ALL DRUGGISTS; 50c. AND \$1.00.

E. P. D. No. 1

George Blackman is putting up a fine large carriage house this fall.

Miss Nellie O'Connell of Uby, Mich., is visiting Miss Dora Dickson, for a few weeks.

Reuben VanEvers has rented the blacksmith shop of Frank Hooper for the coming winter.

Dr. Clawson is building a corn crib; it was a case of "bad to go" for the corn in the field.

William West has just completed a fine new chicken house, his object being to supply the city market with early broilers.

George Rusch is thankful that the fall work is drawing to a close, as he has had to work pretty hard the past year, and needs a rest.

The Jackson school taught by Miss Lettie Russell, of Royal Oak, has resumed her school last Monday—there being no signs of scarlet fever.

Thomas Dickinson made a hurried visit to his old home at Uby, Mich., last week. He reports good crops, progress in times and everybody happy.

The L. M. S. held a social at the residence of Mr. V. B. Miller, on the evening of November 22d. Nearly 100 guests were present, the treasury was increased ten dollars, and all had a profitable time.

Election day was a dead one for Southfield; was a dead one indeed. Up to noon only 31 votes were cast.

John L. Dunbar was at the old stand all day and did a running business all day just the same.

The Northville furniture factory are all done and cleared up by Jerome Johnson's timber lot. Mr. Johnson will now begin cutting up the tree tops into stove wood. He has bought an engine and outfit and will start this week.

John Hawkins, last Friday, while mounting his horse, threw his leg over the horse, and at the same time threw his knee out of joint. For three days he couldn't move his leg but to-day he began to feel better and is able to crawl out again.

John Keist has traded his little farm, 23 acres south of Birmingham, for a big one—farm of 400 acres near Grass Lake, Mich., and moved last Thursday to his new home. We certainly wish him good luck and prosperity to the good people.

Harry M. Russell last Saturday went over to Rochester, and bought a fine Holstein heifer, and now he has a nice bunch of Holsteins in the lot together. He says it is just as easy to keep a good herd as it is to keep poor herd, and they don't eat any more.

Managed by the Messrs. Harry and Oscar Miller, they are just trying to have the best herd of milch cows that money can buy in Southfield. Last week they bought eleven head of registered Holstein three-year-old heifers, and they are a fine and dandy bunch.

On the River Bank farm, owned by Henry Cort, they have just finished hatching fifteen acres of corn by hand, and Uncle Joe has hucked the most of it. It run 94 bushels to the acre, and all solid corn. This is no dream, but solid and proved facts. Who can beat it? Let us hear how much good corn has been raised, and what was the yield per acre.

Some time ago Henry Miller's hired man and wife left for the West, and ever since H. A. has been doing housework, and they helped by his children. Everything outside and inside. We think that by spring he will give up farming, and take a job as head cook at the Cadillac.

Made Happy for Life. Great happiness came into the home of S. C. Blair, School Superintendent at St. Albans, W. Va., when his little daughter was restored from a fearful complaint he names. He says: "My little daughter had St. Vitus' dance, which yielded to treatment but growing steadily worse until, as a last resort, we tried Electric Bitters, and I rejoice to say, three bottles effected a complete cure. Quick, safe cure for nervous weakness, general debility, female ailments, insomnia, indigestion, and malaria. Guaranteed at Whitehead & Mitchell's and Cobb & Cobb's drug stores. Price 50c.
