A flying visit from our dear old friend John B. Barrow, of Howell, Mich. Zip! and John was on the wing again. Too bad! No stoppe—no stayee—but it serves us right, though, come to think.

Many of our exchanges are publishing etiquette rules for phone use. We would like to add one. If you happen to hear something over the phone that is not meant for you, it is best not to repeat it.

Of course you pay your money.

When Rexall Mountain Tea's on earth?

It is said that Count Boni kept his hands in his pockets while he was addressing the Chamber of Deputies the other day. They must have felt quite vacuous after having kept his hands in the Goulds' pockets for so long.

A new vaudeville theater is soon to be opened in Detroit on Lafayette ave. We have often wondered why this has not been done before. There is surely a great need for one, judging from the present "stand up" system now in vogue in the city of the Straits.

E. R. Smith & Co. brought suit against Benjamin A. Wynneparry and Rilla A. Wynneparry, in Justice Campbell's Court, Dec. 12, 1905, to recover $46.57 for coal and lumber sold. The Court rendered judgement in favor of the said plaintiff's for the above amount.

Miss Carrie Bingham has returned to her western home in the State of Washington. Her sister, Mrs. Maggie Leonard, will spend the winter with her, as she, Mrs. Leonard, thinks it will be beneficial to her health to have a change. We sincerely hope that the good lady's fondest hopes will be realized.

The annual election of L. O. T. M. M. officers resulted as follows: P. C., Carrie Knowles; Com., Anna Parks; L. C., Flora McHenry; R. K., Lena Wilson; F. K., Helen Corson; Chaplain, Hannah Ellenwood; M. at A., Anna Milton; Sergeant, Fanny Shain; Sentinel, Mrs. Mason; Picket, Carrie Smith; Physician, Dr. Campbell.

Monday morning Fen Weston appeared for duty with a brand new buggy and that day a brother R. F. D. carrier accidentally backed into his new outfit upsetting the carriage and frightening Fen's horse so badly that it kicked the daylights out of the new vehicle. Fen begins to think there's no use trying to have anything at all, at all.

Folks in California are suffering from the cold. Bert Peabody started to join his family at Los Angeles last week but before leaving he had received word that the family had had to quit housekeeping, give up their house and go to a family hotel where they could enjoy steam heat. In the meantime we are enjoying fine winter weather.

Now is the accepted time to take the necessary steps to avoid receiving the azure tinted "X." The first issue in January has always brought out the ancient land mark to those who draw it in the deal. Look at the date after the name on this paper or the wrapper. Look at it! then you will know what to do. If the date is past, hurry to us, but DON'T PASS.

Monday afternoon, Ed. A. Park's team, employed by the telephone gang hauling poles became frightened at the cars and ran wildly away west to Bates Street, where they straddled a tree. One horse turned a complete somersault stripping off the harness like magic. The team was captured and no serious damages was done except to the wagon and harness.

Among the many new telephone subscribers recently added to the Birmingham exchange, Manager Mitchell reports as the very latest happy ones. Wilson, 84-b; J. N. Lowrey, 67-J 2r; Mrs. Huldah Miller, 85.

Do not forget that accidents cannot be prevented. Terrible horrible and deplorable at any and all times, but one thing you can do; protect yourself and family against loss of wages and surgeons bills, by taking an accident policy in the strong and reliable Ætna, and keep your property insured against loss by fire, lightning and cyclones. From $5. to $25. per week according to the amount insured per annum. For accident, health and sickness, John Allen Bigelow, agent.

Frank E. Ross, a popular young man of Royal Oak, has made rapid strides toward success in his short stage career. He started out last October singing a very minor part of "The Show Girl," but has been promoted twice and is now singing a new song, written especially for him, with the whole chorus behind him. Mr. Rose has shown such advancement that he recently refused a good position with the "Buster Brown Company," considering that in regards for B. C. Whitney he had better stay where he was.

Upon his arraignment before Justice A. W. Campbell Tuesday evening of this week, Edward Banks plead not guilty to the charge as read to him by the Justice. This complaint was for jumping his board bill and accommodations at the National Hotel to the amount of $25. After his plea of not guilty had been entered, Justice Campbell set the day for trial on December 24th and gave the prisoner the opportunity to raise bail to the amount of $200, in default of which the Justice committed him to jail until the day of trial.

Sheriff Greer believes he is in a fair way to find the perpetrators of the recent postoffice robbery in this village, one arrest having already been made. Deputy Wiley has been watching the movements of two men who were known to have been here on the day previous to the robbery. They were both finally rounded up in Detroit, but one of the suspects has been sentenced on another charge to the House of Correction. His partner, John Mack, is now in jail at Pontiac. Mack answers the description of one of the fellows seen here just previous to the postoffice job, and has a record with the Detroit police as a trouble-maker.

It's Charming

To possess a healthy, glowing complexion. Dainty Laxakola Tonic Tablets obliterate the eruptions of the skin by their mild, but active influence on the bowels. Forty tablets, 25c. Whitehead & Mitchell and Cobb & Cobb.

In Oakland county and in Pontiac the number of births for the month of Oct. was smaller than the number of deaths. In the county there were 64 deaths to 57 births, and in Pontiac 33 deaths to 25 births. Of the 188 violent deaths in the state during the month of October, 170 were accidental, 17 suicidal and homocidal. Fractures lead as the greatest cause of deaths, with railroad accidents a close second. Accidental poisonings was the third greatest cause. Of the suicides, seven were from poison, three each from suicide and hanging, two by gas, and one by cutting and one by swallowing wires and needles.

Mrs. Mayme Tabor Lowe gave one of her delightful entertainments at the M. E. church last Wednesday evening, to a delighted audience. "The Family Album" was given to the listeners. The pictures were made by living representatives, apparently from an immense album. It was fine and the church should have been packed. Photos were well exhibited and the description by the owner was well given and heartily enjoyed. Mesdames Saltzer and Brown each gave a solo and Mr. Kennisten favored the audience with a piano solo. It was worthy of more advertising and would have pleased any sized audience.

Save the birds! Our President, in reply to a communication on the subject, dated Oyster Bay, July 18, on his usual paper, stamped "The White House, Washington," said: "My Dear Mr. Dutcher—Permit me, on behalf of both Mrs. Roosevelt and myself, to say how heartily we sympathize, not only with the work of the Audubon Societies generally, but particularly in their efforts to stop the sale and use of the so-called 'aigrettes'—the plume of the white herons. If anything, Mrs. Roosevelt feels even more strongly than I do in the matter. Sincerely yours, Theodore Roosevelt."

William Hilliard was arraigned in Justice Campbell's Court on the charge of violating the Village Ordinance No. 4, (relative to drunkeness and disorderly conduct,) and plead guilty thereto. The Court passed sentence upon him that he pay a fine of $5.00 and $2.00 costs of prosecution or the alternative, be committed to the Oakland county jail for a period of 30 days including this date, December 12, unless said fine and costs are soooner paid. The above fine and costs were paid. The Court told Mr. Hilliard that the next time he was taksfor disorderly conduct he would be taken under the statute and would be kept a going until he got to Ionia or Marquette.

GUARANTEED REMEDY FOR INDIGESTION.

Interesting Statement by Whitehead & Mitchell and Cobb & Cobb.

When a man comes into these stores and calls for any particular indigestion remedy, we always give him what he asks for, but in case he leaves it to us we usually recommend Pepsikola Tablets.

Here is a preparation we have been selling right over the counter for years, and from actual observation we know it must do good, and really does relieve and cure indigestion and dyspepsia, or there would be a steady stream of people coming back for their money, as every 25c box is sold with the understanding that you must be decidedly benefited or there is nothing to pay.

You simply try Pepsikola Tablets with the understanding that they will steady your nerves, improve your appetite, relieve wind belching, coated tongue, sour stomach, fullness after eating, weakened energy, and other symptoms of indigestion, or Whitehead & Mitchell or Cobb & Cobb are ready at any time to pay back your money without the least argument.

REVIEW OF REVIEWS

The more magazines there are the more necessary is the REVIEW OF REVIEWS, because it brings together the best that is in all the most important monthlies in the world. Such is the flood of periodical literature that now-a-days people say the only way to keep up with it is to read the REVIEW OF REVIEWS. Entirely over and above this reviewing section, it has more original matter and illustrations than most magazines, and the most timely and important articles printed in any monthly. The REVIEW OF REVIEWS covers five continents—and yet is American first and last.

WOMAN'S HOME COMPANION
