

Sends Special Message to Congress Giving Results of His Observations in Canal Zone. Replies to Critics and Makes Recommendations.

The following is the text of President Roosevelt's special message to Congress...

For the good and steady men of course continue the act. Yet, notwithstanding the progress has been made in both cities...

PHILIPPINES, and belonged to the best...

Next in importance to the problem of securing the labor supply is the problem of securing the land...

Work of Construction.

Thousands of those who are brought into the Canal Zone...

Care of Employees.

Next in importance to the problem of securing the labor supply is the problem of securing the land...

Unjust Criticism.

Care and forethought have been exercised by the commission, and nothing has reflected more credit upon them...

Incident That Converted Skeptic Into Ardent Believer - "Wireless" System an Old One in That Land of the Occult.

"Many persons deride the idea of wireless telegraphy, but I have seen a man spend a year or two in India, as I did, and work shoulder to shoulder with the educated East Indians...

PRESIDENT ON A STEAM SHOVEL

From photograph, copyright by Underwood & Underwood, N. Y. At Pedro Miguel, Culebra Cut, President Roosevelt was photographed seated on one of the immense steam shovels used in the work of excavating.
