HIGH CLASS DRUGGISTS AND - OTHERS.

The better class of druggists, everywhere, are men of scientific attainments and high Intentity, who devote their lives to the welfare of their fellow men in supplying the best of remedies and purest medicinal agents of known value, in executions with high gants' preceptions and scientific formula. Druggists of the better class manufacture many excellent remedies, but always under original or officinal names and they peer sell fale bytands, or instainton medicines. They are the men to deal with when in need of anything in their/line, which usually includes all standard remedies and corresponding adjuncts of a first-clasy harmacy and the finest and best of toilet stricles and preparations and many useful acceseries and remedial, appliances. The earning of a fair living, with the satisfaction which arises from a knowledge of the benefits conferred upon their patrons and assistance to the medical/triofession, is usually their greatest reward for long year of study and many hours of daily fail. They all know that Syrtp of Figs is an excellent hxative remedy and that it gives universal satisfaction, and therefore they are selling many millions of bottles annually to the wyld informed purchasers of the choicest remelies, and they always take pleasure in handing out the genuine article bearing the full name of the Company—California Fig. Syrup of Segring from irregular habits, indigestion, or over-cating, that there is fine other remedy so pleasant, prompt, and beneficial in its effects as Syrup of Figs, and they are glad to sell its befaue it gives universal satisfaction.

Owing to the excellence of Syrup of Figs, the universal satisfaction, which it gives and the immense demand for R, initiations havy been made, tried and condemned; but there are individual druggists to be found, here sed there, who do not maintain the dignity and principles of the profession that whose greed get the better of their judgment, and who do not hesitate to recommend and try to sell the implactions in order to make a larger profit.
