

STABLE VENTILATION.

Plain Talk by Prof. King of This All-Important Subject—What the Animals Need.

An average well-fed man eats daily (breathes) 34 pounds of air; a horse, 275 pounds; a cow, 225 pounds; a pig, 27 pounds. These are enormous figures...

It is the subject of a very interesting talk by Hugh G. Van Fleet, Columbus, at the late meeting of the Ohio Live Stock Association...

The capacity for short, high pressure production is not to be desired so much as persistency. The latter is the money making feature...

It may be more than that. One of the chief faults of a strong and fleshy condition at the beginning of the test...

Convenient Entrance Which Will Make the Place More Accessible to the Man with the Bucket.

It is the stock kept in the barnyard is not of small stature like the pig and sheep...

THE TURNSTILE COMPLETES. anything they may be carrying. The turnstile is easily constructed, the main thing being to have the post in the ground...

Dehorning. As a rule we do not dehorn our mature cows here. Practically all of the beef breeds and we do not consider it desirable to dehorn them.

Much for Apple Trees. There has been a good deal of talk about the so-called "bleeding" method...

THE FIRST OIL WELL

At six o'clock a. m. on August 26, 1859, said a veteran of the pioneer plodders...

Along early in the summer of 1859 a stranger appeared in Titusville and said that I need not bother to collect...

SKIN ERUPTIONS 25 YEARS. Suffered Severely With Eczema All Over Body—A Thousand Thanks to Cuticura Remedies.

Attraction of Light. Recent discoveries indicate that man's desire to know is not mere curiosity...

Great Men Unhappily Married. Lord Bacon enjoyed but little domestic bliss, and loved not to be with his partner...

Tobacco and Nicotine. Prof. Hirschman of New York writes: "Tobacco is not a narcotic, an ordinary clear, sweet in the ordinary way..."

A WOMAN DOCTOR. Was Quick to See That Coffee Poison, Was Doing the Mischief. A lady tells of a bad case of coffee poisoning...

FARM NOTES. Muching of land should be more generally practiced. The use of potash is more important...

A PRECARIOUS CONDITION

Many Women Suffer Daily Miserics and Don't Know the Reason. Women who are languid, suffer headache and dizzy spells...

Of Whitehead & Mitchell at the Exchange Bank, Birmingham, Mich. The following is a partial list of farms, city and village lots and real estate...

Decapitation of Words. A writer in the London Chronicle says: "Our language's trick of decapitating words, as in 'phone'...

Severely with Eczema All Over Body—A Thousand Thanks to Cuticura Remedies. For over thirty-five years I have suffered from this terrible eruption...

Attraction of Light. Recent discoveries indicate that man's desire to know is not mere curiosity, but simply because there is an irresistible power compelling him to know...

Great Men Unhappily Married. Lord Bacon enjoyed but little domestic bliss, and loved not to be with his partner. Evelyn married Digby...

Tobacco and Nicotine. Prof. Hirschman of New York writes: "Tobacco is not a narcotic, an ordinary clear, sweet in the ordinary way..."
